CSUF Human Subjects Research Exemption Statement
and Reviewer Response

Instructions: The student must submit this form and all accompanying materials referred to below to the Principal Investigator (Chair of Dissertation Committee) and it must be processed before s/he may begin dissertation research.

Review the Policy and Procedures for Research with Human Subjects at California State University, Fresno. Submit Checklist for Submitting Protocols (attached), and all appropriate materials listed in the checklist to your Principal Investigator. The Principal Investigator will submit this form and the materials submitted by the student to the CSUF Director of Doctoral Research or Designee for review.
