Customize your Course Design

You may select a color and style for your Course Menu.
1. Select Customization in the Control Panel area.
2. Click on Style and select Buttons or Text, choose the Default Menu View, and the Default Content View. You also have the option to change the Entry Point and Upload a Banner. Click Submit when finished.

Change the Course Name to reflect the current semester
1. Select Customization and Properties in the Control Panel area.
2. In the Name and Description area, change the Course Name to reflect the current semester and click Submit.

Update your Contact Information
1. Select Faculty Information on the Course Menu.
2. Select Create Contact, complete the template and click Submit.
