Service Site Description & Program Dates:

Bulldog Pantry & Fresno State Outreach Day with Stone Soup and Big Brothers Big Sisters (April 6-9, 2020)

For the first three days of the project, participants will help install a community garden at the Bulldog Pantry. Activities will include building and preparing planter boxes, installing an irrigation system, planting, and general site beautification. The Bulldog Pantry is a student-run food pantry benefiting all members of the Fresno community and is located across the street from Fresno State. The community garden will provide an additional resource for the pantry in acquiring food to redistribute to the community as well as provide ongoing volunteer opportunities for future Fresno State students. On the fourth day of the project, we will partner with Stone Soup and Big Brothers Big Sisters to host a Fresno State Outreach Day. The children and families participating in this event will come from the neighborhoods directly adjacent to the campus, helping us to nurture relationships with our neighbors. This service project seeks students who are motivated and willing to try new things. Interest in gardening and children is a huge plus!
