

# COM S 101 REGISTRATION AND WORKSHOPS

Fall 2019

Dear Student:

Thank you for your interest in the Community Service 101 (COMS 101). The time you commit to community service could be one of the most rewarding experiences you have during college. Through this course you can improve your understanding of knowledge gained in other courses, gain career experience, develop leadership and other personal skills, and contribute to the community in which you live.

You may sign up for 1, 2, or 3 units of academic credit through COMS 101. For each unit of COMS101 credit you must perform 45 hours of service with a community benefit organization (nonprofit or government organization) during the academic semester. **In addition to other course requirements, there is a mandatory one-hour Registration Workshop at the beginning of the semester where you will learn all of the important details about COMS 101 requirements and obtain forms you will need.**

You can sign-up for the COMS 101 course using your *My Fresno State* account. Units count toward elective requirements and the course is open to all undergraduate and graduate students. The registration numbers for the course sections are as follows: (You may only register for one section and a maximum of 3 units per semester.)
