

## SCHOLARS IN SERVICE – JOB DESCRIPTION

### Wesley United Methodist Church

We are a community of people from many different walks of life, who believe that God has drawn us together to be the visible sign of God's wildly inclusive love. We believe that God asks us to boldly share God's love with all people as we seek to follow the path of Jesus. We don't have all the answers but we ask a lot of questions, we worship, we laugh, we cry, we pray and we serve. We welcome you to join us on the journey of growing in Christ as we seek to be bold witnesses of God's love! Job Title: Outreach/Social Media Coordinator

Number of Openings: 2

We currently have a website, a Facebook page and an occasional e-newsletter (via Constant Contact). We also use print media including monthly newsletter bulletins and a "Yellow Page" (for announcements) on Sunday mornings. Student may also have a chance to coordinate volunteers and do outreach on Fresno State campus. The student would need to work with Pastor and Office Secretary on content but some of the work will be done off-site.

- Regularly update and maintain website and Facebook.
- Review current social media and make recommendations for future, including but not limited to, a pastor's blog and twitter, streaming worship, etc.

Days/Times are flexible based on student's schedule and availability
