# Vacancies for Teaching Associates, Graduate Assistants and Instructional Student Assistants.

---

## Sorted by Job Classification, College, Department

California State University, Fresno is committed to providing equal opportunities to men and women CSU students in all campus programs, including intercollegiate athletics. California State University, Fresno is an Affirmative Action/Equal Employment Opportunity Employer and all qualified applicants receive equal consideration in the selection process. We particularly encourage applications from members of all underrepresented groups.

The Immigration Reform and Control Act of 1986 requires the University to inform you that we can employ only U.S. citizens and aliens lawfully authorized to work in the U.S. Each new employee is required to present documentation verifying his/her identity and right to accept employment.

General descriptions of duties can be found by classification at:

#### Department of Music

07AHT047

Appointment dates: 8/21/2006-12/22/2006

Approx. Hrs per week: 10

Application Deadline: June 23, 2006

- ◆ Job duties include: MUSIC 9: Introduction to Music (piano sections). A general education 3-unit course for non-music majors. The course includes teaching music theory and aesthetics for the general student. Notation of pitch and rhythm will also be taught as well as reading, playing, and writing melodies with choral accompaniment. Three contact hours of classroom instruction plus preparation per week (3 WTU).

MUSIC 1A: Sight Singing and Ear Training. A 1-unit core class for music majors. Basic drill in the singing and recognition of intervals, scales, chords; and diatonic melodies, in treble, bass, alto, and tenor clefs. Dictation of diatonic melodies and harmonic dictation. Two contact hours of classroom instruction plus preparation per week (1.2 WTU).

- ◆ Minimum Qualifications: Must be student currently in or fully admitted to the Music MA program at California State University, Fresno. Must enroll in at least 6 units (three of which must be graduate units) for the semester. The successful candidate must have a minimum grade of 3.0 and a GPA of 3.5 or higher is preferred (last 60 units of undergraduate program for new graduate students; current GPA for returning graduate students). For Music 9 and 1A, the successful candidate must have piano skills that, at a minimum, include playing a melody with one hand and accompanying chords with the other, and have the ability to demonstrate scales and other theoretical concepts on the piano. Applicants may be asked to demonstrate piano skills. Candidates whose GRE scores (verbal and analytical) total 1000 or higher will be preferred. For international students, the TOEFL score must be 600 or better. Candidates must have basic knowledge of at least one rudimentary music writing software program. Candidates must have the ability to write and grade exams and assignments.

### Teaching Associate - Academic Year

Job Classification Minimum Qualifications: Knowledge of the subject matter of the discipline in which assigned. Ability to relate well to others within the academic environment and ability to instruct and evaluate students. EXPERIENCE: Evidence of satisfactory achievement in previous academic work. EDUCATION Range A: Equivalent to or completion of the requirements for a bachelor's degree and concurrent admission to or enrollment in a graduate degree program of the university that is related to the discipline to which the individual is assigned.

#### Department of Nursing

06THHS40

Appointment dates: 5/22/2006-5/19/2007

Approx. Hrs per week: 0-20

Application Deadline:

- ◆ Job duties include: Duties may include the following, but will be dependent upon the specific course(s) to which the teaching associate will be assigned, as well as upon the specific needs of the faculty member(s) in charge of the course(s):

- Perform lecture, clinical, laboratory or discussion section instruction for one or more course offerings
- Create a classroom environment that is conducive to learning
- Make assignments to students
- Prepare course materials, e.g. organizational set-up of materials or quizzes
- Administer/proctor examinations (in lab/discussion sections or for the lecture course associated with such)
- Assess student performance on lab exams/assignments and help the faculty instructor integrate laboratory performance by each student into their final course grades
- Show responsiveness to improvement suggestions from faculty or student evaluations of instructional performance
- Tutor students individually or in small groups
- Supervise small discussion groups
- Assist students outside of class and/or laboratory hours, including but not limited to the holding of office hours
- Attend meetings scheduled by the faculty or staff for purposes of briefing, coordination, and discussion of course content
- Attend appropriate safety training sessions and ensure that students in laboratory sections are following safety procedures
- Assist with departmental assessment activities when requested
- Perform other assignments supportive of university instruction
- Operate in a collegial fashion with members of the Nursing Department and with other university employees

- ◆ Minimum Qualifications: A candidate for the position of teaching associate in the Department of Nursing must meet the following minimum qualifications:

- A bachelor's degree in nursing
  - Matriculation as a graduate student in the Department of Nursing
  - Mastery of the subject matter of the course to be taught.
  - Good oral and written communication skills
  - If the T.A. is not a new student, s/he must demonstrate satisfactory progress towards the degree.
- Willingness to perform multiple tasks and to take guidance from the faculty member(s) associated with the course.

- ◆ Application Procedures: Apply in the Department of Nursing at least four (4) weeks prior to the beginning of the semester for fullest consideration. Appointments will begin at the start of each semester, applications will be taken continuously.
