

DIVISION OF GRADUATE STUDIES

GUIDELINES

GRADUATE STUDENT TRAVEL GRANT

PURPOSE:

The CSU, Fresno, Division of Graduate Studies (DGS) awards travel grants to graduate students who have had papers and/or posters accepted for presentation at major professional conferences or society meetings. Recognition of the student's scholarly work in such refereed forums is a source of pride for the university, and the Division provides these funds to encourage and promote its graduate students. The assurance that these special opportunities remain available to students from all university graduate programs rests with the Division, which requires fairness in awarding these travel grants.

LIMITATIONS:

Travel grant funds are limited and may not be sufficient to cover all of the requests made for such support. These funds are supplemental to those normally available through the department or college/school. Funding supports only the student who is making the formal presentation. It is expected that the student will formally acknowledge this support from the CSU Fresno, Division of Graduate Studies in program announcements during the presentation. In those instances where in several students from the same department have each had their papers accepted for presentation at the same meeting, students may only receive an equal and proportionate share of a base allocation for this meeting/conference. It is the responsibility of the applicants and department chair to ascertain the likelihood that other CSUF students will be participating at the same meeting and will be applying for a travel grant. It is necessary to impose this limitation on funding when multiple requests are made so that one program does not receive an inordinately large amount of funding or even exhaust the funding available for the campus to the exclusion of students from other graduate programs. **Similarly, a student may not receive more than one travel grant from this fund.** Priority funding is provided for matriculated master's degree candidates; other graduate students may receive travel grants, if funding is available.

APPLICATION PROCEDURES:

Applicants must submit the following information to the Dean, Division of Graduate Studies, Haak Center, Library 4140 West Wing (Mail Stop ML51) at least two weeks prior to the conference. Travel grants are awarded prior to the event.

REQUIRED:

- Application for Graduate Student Travel Grant
- Abstract of papers and/or posters to be presented
- Copy of the letter of acceptance of the work to be presented
- Announcement of the conference or meeting
- Letters of support from the Department Chair, Department Graduate Program Coordinator and faculty advisor
- A brief formal report on the outcomes of the presentation must be submitted to the Division of Graduate Studies with a copy to the department chair.

ARE YOU A RESIDENT OR NONRESIDENT?

Each corporation, individual/sole proprietor, partnership, estate, or trust doing business with the State of California must indicate residency status along with their vendor identification number

A **corporation** if it has a permanent place of business in California. The corporation has a permanent place of business in California if it is organized and existing under the laws of this state or, if a foreign corporation has qualified to transact intrastate business. A corporation that has not qualified to transact intrastate business (e.g., a corporation engaged exclusively in interstate commerce) will be considered as having a permanent place of business in this state only if it maintains a permanent office in this state that is permanently staffed by its employees

For individual/sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose which will extend over a long or indefinite period will be considered a nonresident.

For withholding purposes, a **partnership** is considered a resident partnership if it has a permanent place of business in California. An estate is considered a California estate if the decedent was a California resident at the time of death and a trust is considered a California trust if at least one trustee is a California resident.

More information on residency status can be obtained by calling the Franchise Tax Board at the numbers listed below:

ARE YOU SUBJECT TO NONRESIDENT WITHHOLDING?

Payments made to nonresident payees including corporations, individuals, partnerships, estates and trusts are subject to income tax withholding. Nonresident payees performing services in California or receiving rent, lease or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for state income taxes. However, no California tax withholding is required if total payments to the vendor are \$1,500 or less for the calendar year.

A nonresident payee may request that income taxes be withheld at a lower rate or waived by sending a completed form FTB 588 to the address below. A waiver will generally be granted when a payee has a history of filing California returns and making timely estimated payments. If the payee activity is carried on outside of California or partially outside of California, a waiver or reduced withholding rate may be granted. For more information, contact
