Dear

Title 5 of the State Education Code requires that graduate students be placed on probation for failure to maintain a minimum 3.0 GPA in a graduate program, or for failure to make progress toward the degree and/or failure to comply with academic requirements expected of all students. Based on your current academic record, you have been placed on Administrative Academic Probation. A permanent notation has been placed on your transcript.

Please contact your graduate program coordinator to discuss your status and your academic plan.

For information concerning academic probation and disqualification, *please refer to pages 79 and 80 in the 2002-2003 CSUF General Catalog.*

Sincerely,

Vivian A. Vidoli, Dean
