printed on official letterhead**

Dear Otis:

Congratulations! It is a pleasure for me to notify you that you have been admitted to our University as a post-baccalaureate student. Your status as a student in post-baccalaureate standing is effective with the Fall 2001 semester. You may enroll in coursework except where graduate program admission is a prerequisite. For graduate course enrollment you must first obtain permission to enroll from the Division of Graduate Studies. The attached Supplementary Admissions Form includes additional information, which you should keep for reference and enrollment purposes. Please note that you must file a change of major request should your degree objective change.

Fresno State offers diverse academic and professional opportunities to stimulate your intellectual growth and prepare you to meet the challenges of the future. Indeed, for the past four years, *U.S. News and World Report* magazine has ranked Fresno State among the top 15 western regional universities for cost-effective, quality academic programs. You may wish to contact the Division of Graduate Studies Office to learn more about programs that lead to Certificates of Advanced Study or Graduate Degrees.

We sincerely hope that you will accept our invitation to enroll as a post-baccalaureate student and share in the tradition of excellence that characterizes our university.

Sincerely,

Vivian H. Franco, Director
