

Where did time go? Can you believe that the spring 2016 semester is coming to an end?

In this, the 4th edition of our newsletter and the last for this semester, the Graduate Net Initiative is happy to share important information relating to resources available to you as you plan to apply to graduate school and/or prepare to join the ranks of our graduate students. For more information on any of these resources, please visit our [website](#) or contact us at our office!

Upcoming Grad Prep Workshops

Hi there! Interested in applying to one of our graduate programs for fall 2016? There is still time! Many of our programs are accepting applications through June 1, 2016. Not ready to apply yet, but thinking about doing so in the future? We can help you too. To guide you through the application process, I am offering two workshops this week on "How to Prepare for Graduate School".

When:
Monday, April 18, 2016 at 2:30 p.m. &
Tuesday April 19, 2016 at 1:30 p.m.

Where: USU Pavilion (next to Golden 1)
See you there!
Imelda S. Dudley, M.A.
isantacruz@csufresno.edu

Free Test Preparation Workshops

The following workshops are courtesy of Kaplan.

If you want to sign up, visit: kaptest.com/practice

Questions? Contact Boawen Wang | boawen.wang@kaplan.com

For more test prep resources visit the [Grad Net website](#).

MCAT

Inside the Classroom - 4/10, 4/14, 4/19

What really happens in a Kaplan MCAT class? Join us for this special event, and you'll get to find out for free. Kaplan is offering this rare opportunity to observe a real Kaplan class. You can watch one of Kaplan's highest-rated instructors teach one of our core strategic approaches to answering questions on the test. You'll also have the opportunity to ask questions and have them answered by an expert.

MCAT Practice Test - 4/12, 4/23, 4/27

The Free Practice Test is the best place to start. Learn what to expect and how you'd score on the exam with our Free Practice Test. Plus, get a breakdown of which areas need improvement and how to score higher next time.

GRE

GRE Practice Test - 4/9, 4/17, 4/25

The Free Practice Test is the best place to start. Learn what to expect and how you'd score on the exam with our Free Practice Test. Plus, get a breakdown of which areas need improvement and how to score higher next time.

Sample Class - 4/16, 4/23

Familiar with the exam and ready to dive deeper into GRE prep? It's time to sign up for a Free Preview Class. You'll learn from a master GRE instructor in our state-of-the-art virtual classroom.

LSAT

LSAT Practice Test - 4/09, 4/18, 4/24

The Free Practice Test is the best place to start. Learn what to expect and how you'd score on the exam with our Free Practice Test. Plus, get a breakdown of which areas need improvement and how to score higher next time. **Inside the**

Classroom - 4/14, 4/21

What really happens in a Kaplan LSAT class? Join us for this special event, and you'll get to find out for free. Kaplan is offering this rare opportunity to observe a real Kaplan class. You can watch one of Kaplan's highest-rated instructors teach one of our core strategic approaches to answering questions on the test. You'll also have the opportunity to ask questions and have them answered by an expert.

LSAT Channel Preview - 5/03

The LSAT Channel is a revolutionary new way to prep for the LSAT that gives each student unlimited access to Kaplan's top-rated LSAT faculty for live, elective instruction every day of the week. Instead of sitting through hours of one-size-fits-all content review, you can pick the episodes you need to watch most. It's the best way to gain the most LSAT points in the least amount of time—and it's only available at Kaplan. Sit in on this Channel episode for FREE, where we will teach you how to tackle difficult hybrid logic games!

GMAT

GMAT Practice Test - 4/13, 4/27

The Free Practice Test is the best place to start. Learn what to expect and how you'd score on the exam with our Free Practice Test. Plus, get a breakdown of which areas need improvement and how to score higher next time.

GMAT Inside the Classroom - 4/11, 4/20, 4/23

What really happens in a Kaplan GMAT class? Join us for this special event, and you'll get to find out for free. Kaplan is offering this rare opportunity to observe a real Kaplan class. You can watch one of Kaplan's highest-rated instructors teach one of our core strategic approaches to answering questions on the test. You'll also have the opportunity to ask questions and have them answered by an expert.

Fall 2016 Grad Funding Opportunities

Graduate Equity Fellowship

(Deadline to apply is Friday, April 22, 2015!)

These fellowships, for both incoming and current graduate students, enable students from historically underrepresented backgrounds to pursue their graduate degrees with financial assistance in amounts ranging from \$500 to \$2,000 per academic year for four semesters. Applicants must have filed a Free Application for Federal Student Aid (FAFSA).

Click [here](#) to begin your fellowship application.

For further information, contact Rodrigo Gomez at [559.278.2448](tel:559.278.2448)

[Visit our website for more information on funding opportunities!](#)

Spring 2016 Graduate Forum

There is still time to register for the Spring 2016 Graduate Forum!

Deadline to register is April 15, 2016

The purpose of the forum is to give students the opportunity to explore graduate opportunities and resources by participating in numerous workshops throughout the day. Multiple universities attend the forum to provide information about their graduate programs as well.

Reserve your seat by calling Joe Guerra at [559.278.5719](tel:559.278.5719)

Upcoming events!

Annual Central California Research Symposium

Wednesday, April 20, 2016 from 9:00 a.m. to 6:00 p.m.

At the University Student Union

For more information call 278.0840 or visit the Office of Research and Sponsored Programs [website](#).

Graduate Research & Creative Activities Symposium

Thursday May 5, 2016 from 1:00 to 8:00 p.m.

At the Henry Madden Library

Come and learn about our Master's and Doctoral students research at this event. For more information visit the Division of Graduate Studies [website](#).
