About Us

The Office of Research and Sponsored Program's role within the university is to assist faculty and staff in applying for and securing external funds in support of their creative ideas and professional interests. Our staff provides the expertise needed to ensure that proposals conform to university, state, federal and sponsoring agency rules and regulations.

Our Mission is to assist faculty and staff in all aspects of proposal preparation, including:

- Identifying appropriate funding sources
- Preparing proposal budgets
- Completing all required assurances, certifications, and authorizations
- Coordinating the delivery/transmission of the proposal to the funding Agency in accordance with their requirements and deadlines.
