

## The Office of Research and Sponsored Programs (ORSP)

*"ORSP's mission is to advance research and external support by providing leadership and professional assistance for faculty, students, and staff in pursuit of a wide range of educational goals."*

### **Identifying and Contacting Funding Sources**

- Accessing information on federal, state, and other public and private grant opportunities
- Tailoring searches of federal and private foundation funding opportunities
- Providing ongoing liaison with funding sources

### **Disseminating Information and Providing Training**

- Orienting faculty and campus leadership on critical policies and procedures
- Conducting proposal writing seminars and formal instruction
- Disseminating information on research activities

### **Preparing Proposals and Budgets**

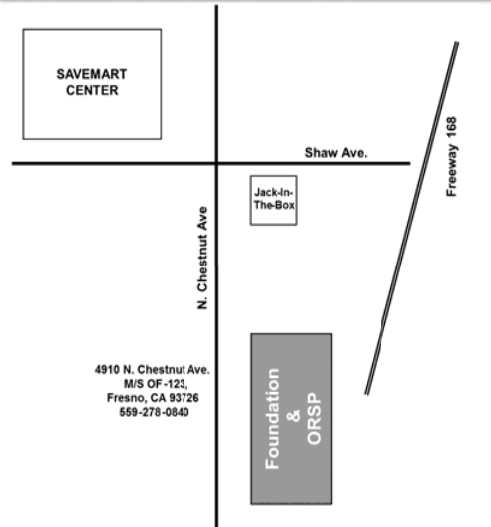

- Developing proposals from conceptualization to submission
- Preparing budgets to ensure accuracy and adequacy
- Facilitating administrative reviews and required signatures
- Coordinating key aspects of proposal submissions

### **Providing Direct Support for Faculty Research**

- Coordinating Research, Scholarship and Creative Activities (RSCA) Awards
- Coordinating Claude Laval, Jr. Innovative Technology and Research Awards
- Providing special financial assistance for key university projects
- Providing expert intellectual property and patent services

### **Providing Student Research Support**

- Directing the Central California Research Symposium
- Directing CSU Student Research Competition participation
- Encouraging student participation in funded projects
