## 2018 San Joaquin Valley Blueprint Awards

Deadline: April 20, 2018, Noon

### I. PURPOSE

---

The purpose of the San Joaquin Valley Blueprint Awards program is to encourage quality in planning and development by recognizing outstanding achievements and practices in the built environment. In recognizing and celebrating projects that reflect the Blueprint Principles, we hope to provide visual examples of attractive, functional and environmentally friendly projects that could have relevance throughout the Valley.

Awards will be presented at the 13<sup>th</sup> Annual San Joaquin Valley Spring Policy Conference in a luncheon ceremony on May 11, 2018, to be held at the DoubleTree Hotel in Modesto, CA.

### HISTORY OF BLUEPRINT

On April 1, 2009, the San Joaquin Valley Regional Policy Council adopted a list of 12 Smart Growth Principles ("Blueprint Principles") to be used as the basis of Blueprint planning in the San Joaquin Valley. For more information, please visit [www.valleyblueprint.org](http://www.valleyblueprint.org).

### II. ELIGIBILITY REQUIREMENTS

---

Applicants are required to meet all of the following criteria.

- Nominations are open to candidate projects and individuals within the San Joaquin Valley's eight counties: Kern, Kings, Tulare, Fresno, Madera, Merced, Stanislaus, and San Joaquin.
- The Project is an on-the-ground, existing project built within the past 5 years. Projects built prior to January 2013 will not be considered.
- The Project or Individual reflects the Blueprint Principles, and the Nominator demonstrates strong rationale.
