

Numbers of students with ACT/SAT and CLA scale scores

	Fall 2007 Data		Spring 2008 Data	
	Institutional Report	Student Data File	Institutional Report	Student Data File
Performance Task	57	57	42	43
Analytic Writing Task	49	49	37	40
Make-an-Argument	55	55	37	40
Critique-an-Argument	51	51	37	40
Total score	106	106	79	83

Institutions may have questions about comparing student counts between the Institutional Report and Student Data File. Counts for Analytic Writing Task represent students completing both parts. Students outside of the correct class year (e.g., non freshmen) or students in special programs who are excluded from report results may account for discrepancies in these counts.

Abilities of CLA participants versus their classmates

	Fall 2007 First-Year Students		Spring 2008 Seniors	
	CLA participants	Classmates	CLA participants	Classmates
Average SAT score	885	926	971	979
