Pursuant to Art. II, Sec. 6, of the Constitution, the Academic Senate shall establish an Executive Committee as a Senate Standing Committee. The Executive Committee shall have the following functions and responsibilities:

1. The Executive Committee is primarily responsible for the participation of the faculty in university governance. It is the body with which the President consults in order to provide an effective channel of communication between the President and the Academic Assembly with respect to their joint and several responsibilities in the immediate governance of the University. The primary function of the Executive Committee is to assist the Academic Senate in the discharge of its duties.

2. The Executive Committee shall have the responsibility to take watchful care that the procedures, policies and recommendations of the Academic Assembly and Academic Senate are being appropriately respected.

3. The Executive Committee shall receive all communications addressed to the Academic Assembly or the Academic Senate and shall be the primary conduit through which the Administration submits to the Academic Senate Standing Committees and Subcommittees all communications pertaining to matters herein described as under the purview of the Academic Senate.

4. The Executive Committee is the body which the President consults on questions about clarifications and/or modifications on recommendations of the Academic Senate. The Chairman of the appropriate Senate Standing Committee shall participate in such consultation.

5. The Executive Committee shall transact such business as may be referred to it by the Academic Senate. The Executive Committee may make recommendations to the Senate on matters dealing with the administration of the Senate, including the Office of the Academic Senate.

The Executive Committee may ask a Standing Committee to reconsider an item on the grounds that the item is not ready for Senate consideration. A second formal request from a Standing Committee that an item be placed on the Senate agenda shall cause the item to be placed on the next Senate agenda.

With respect to agenda items originating from the bodies, other than Standing Committees, the Executive Committee shall act on its own judgment unless directed otherwise by the Senate or Assembly.
