Chair, Academic Senate

From: Rajee Amarasinghe, Chair
Department of Mathematics

A handwritten signature in black ink, appearing to read "Rajee Amarasinghe".

Subject: Financial implications of New BS program

I am writing this memo to confirm that the Department of Mathematics proposal to change the degree designation of our undergraduate program from a *Bachelors in Arts* to a *Bachelors in Science* and to add options will not create any financial burden on our department, college, and university, as our new program will be, mostly, a re-organization of current courses.
