expanding  
your **horizons**

**Plan now to attend the November 7, 2015  
Expanding Your Horizons Conference.**

EYH conferences are created to motivate young women in science and mathematics. The Fresno County Office of Education is pleased to offer this conference sponsored by the Downing Planetarium. Experience a motivating keynote speaker and exciting break-out sessions by local women in STEM.

Register early: <http://fresno.k12oms.org/141-98306>

**\*\*This conference is for  
girls in grades 6-12 and  
their teachers\*\***
