An Introductory Exploration Choose Your Guide!!

- Learn how **Environmental Education is changing in California**...and how you can be a part of this exciting change!
- Be inspired by the **Kearney Agricultural Research & Extension Center**, a world-class research campus surrounded by orchards, fields and vineyards in the heart of the San Joaquin Valley.
- Engage in a full array of experiential activities that exemplify **inquiry** based learning and **critical thinking**, define **STEM** education, and support **constructivist NGSS** standards.
- Earn **Continuing Education Units**. Visit <http://www.csusm.edu/> and search "Project Learning Tree."
- Receive **FREE**: an **Education and the Environment Initiative Unit**.
- Choose **FREE**: one of PLT's most popular modular guides - *Environmental Experiences for Early Childhood, Places We Live, or Focus on Forests*.
