Dr. Leslie Weiser @ Stress Management Workshop

Online Workshop Post-Evaluation Student Feedback WordCloud

97.3% of the online workshop participants responded “yes” when asked if they were able to obtain **3 valuable academic strategies** after viewing an online workshop.

What Students are saying:

“The speaker was engaging and clear. She was fantastic.”

“I feel that the workshop did a good job discussing issues that students face on a daily basis and afterward proceeding with solutions to combat those issues.”

“I really enjoyed the activity Tony has us do because it showed everyone real symptoms people have when taking tests.”

“I feel that Fresno State should keep doing these workshops to keep helping the students.”

“I attended with a group of students and their comments were overwhelmingly positive.”

“Good ice breaker! It helped me realize everything I have to deal with and how to better manage everything.”

“Amazing presentation, very engaging!”

The Material for this Topic was Presented in a Clear and Interesting Manner
