

# Graduate Study Center

## Writing Studio

*Empowering graduate students to become more confident writers and researchers...*

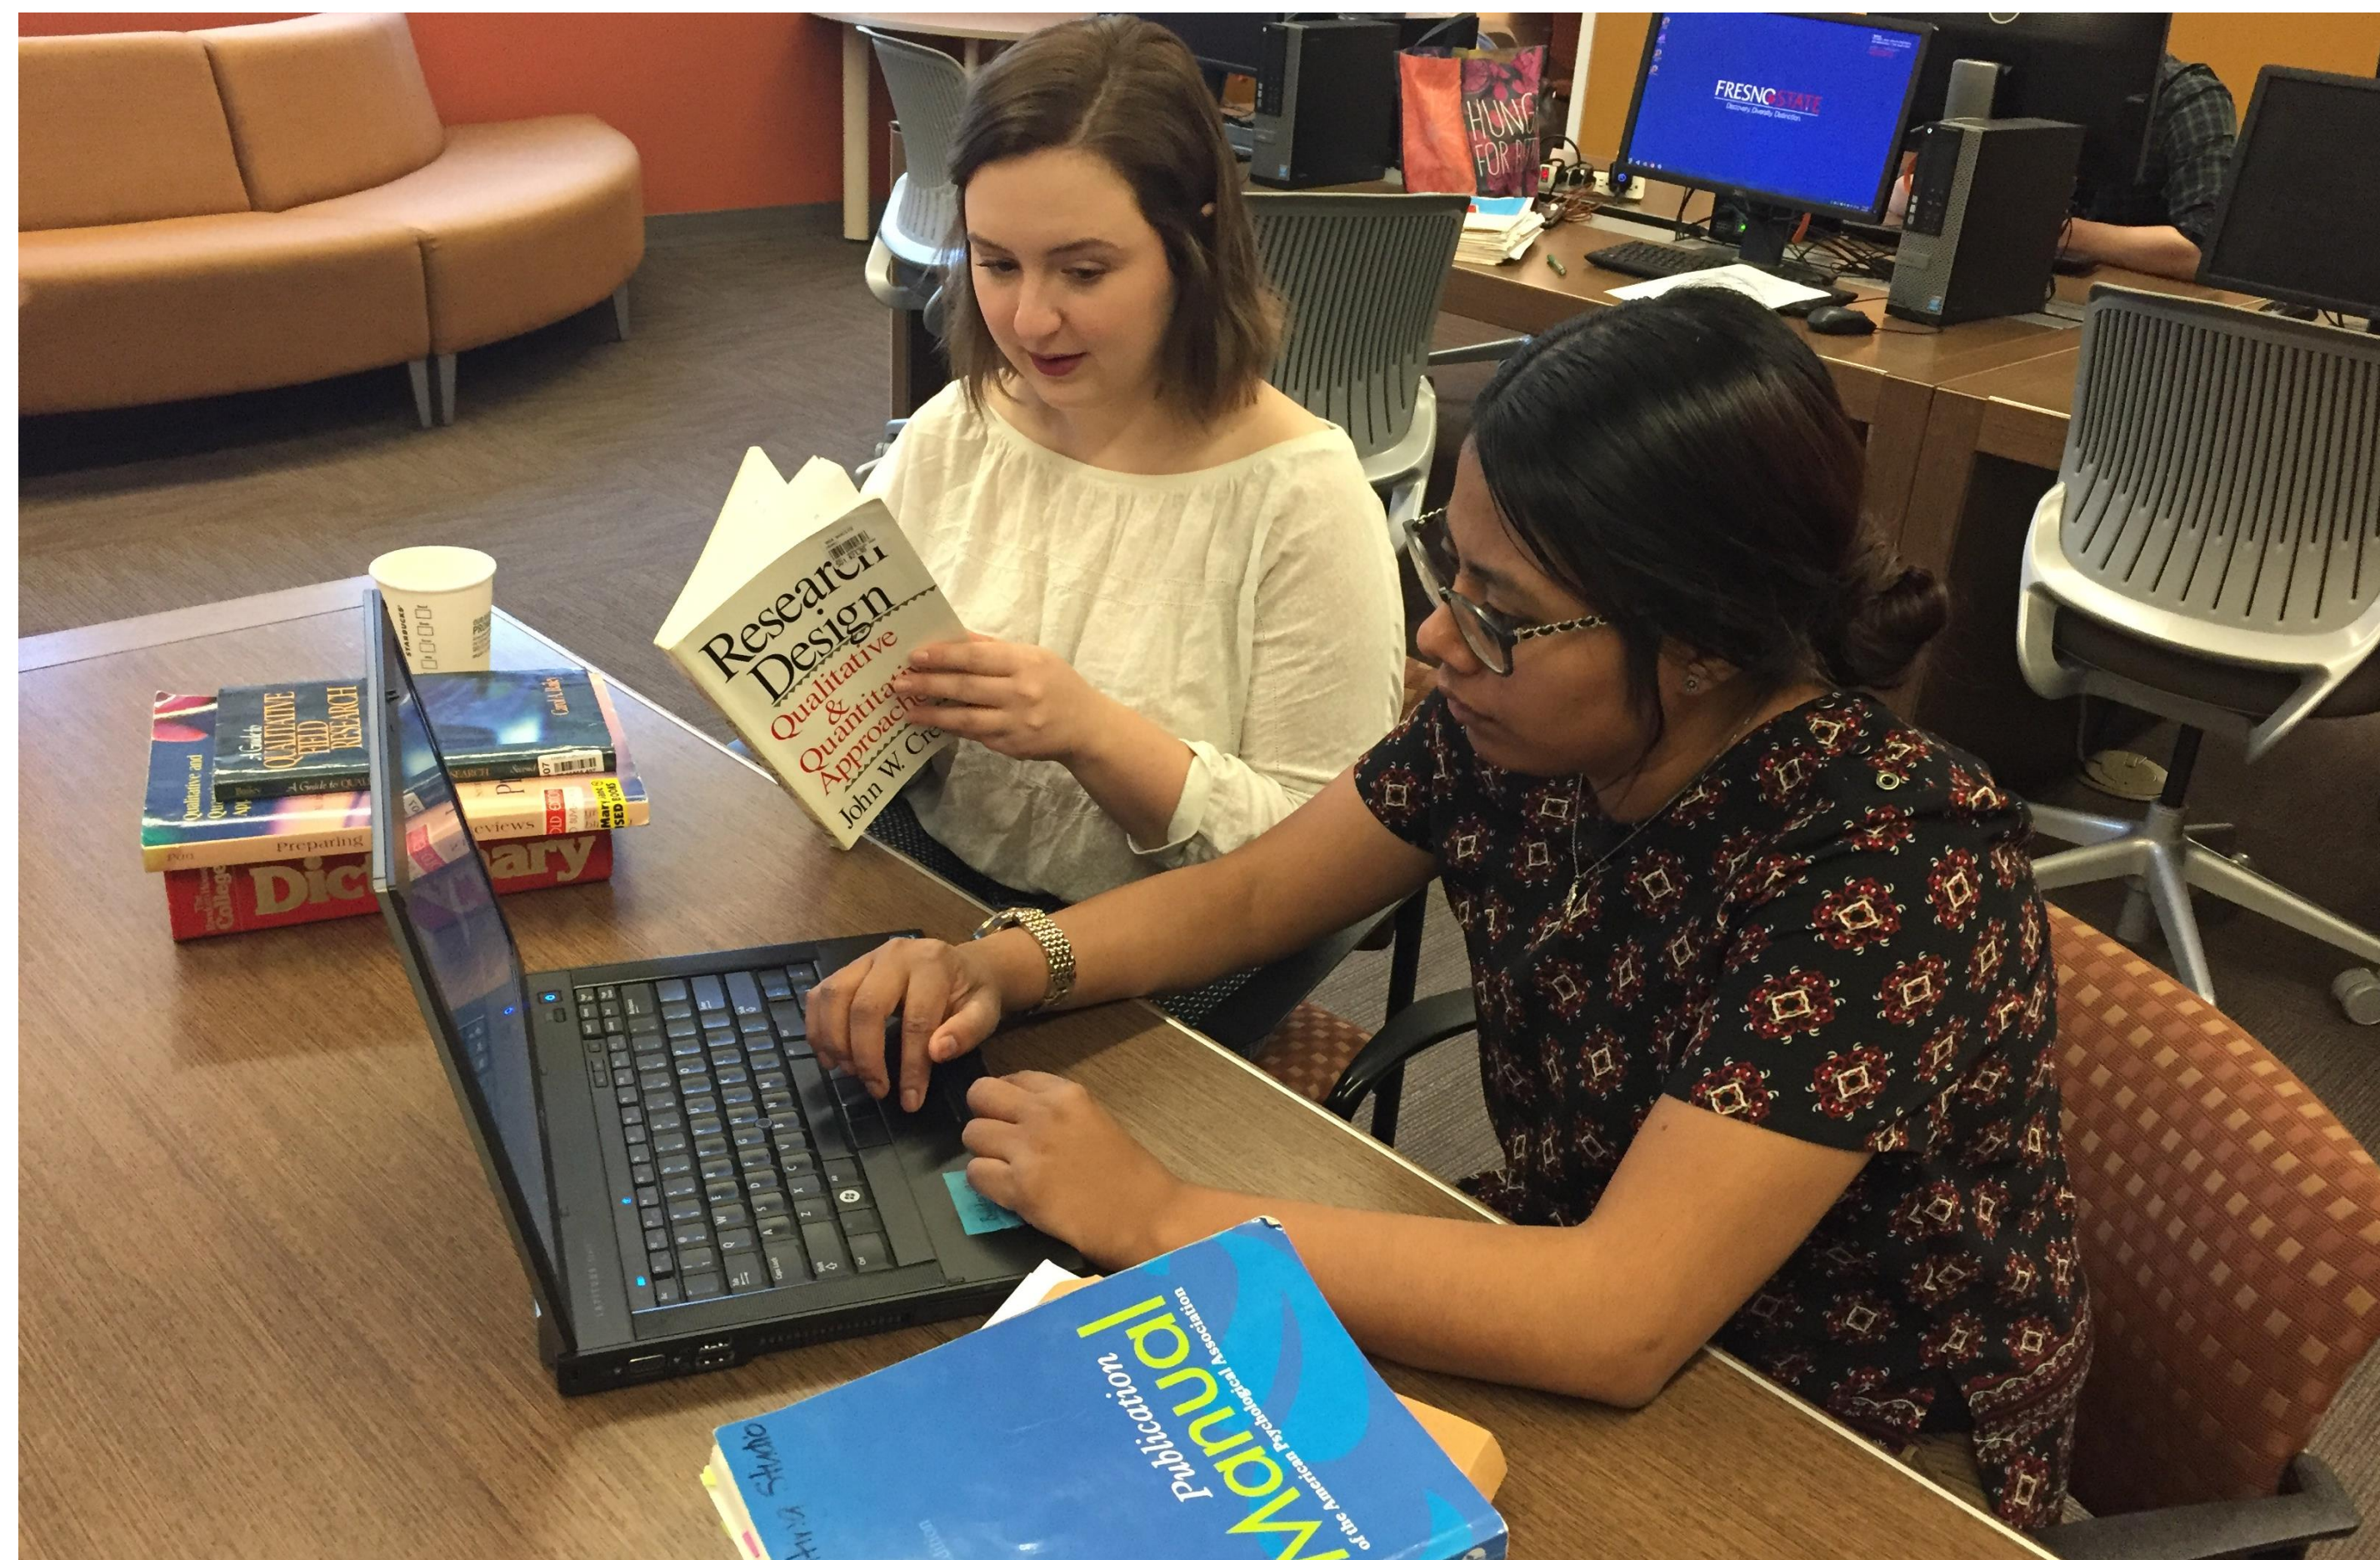

### What we do:

- Individual in-person or virtual (ZOOM) meetings
- Writing process and research workshops
- Writing groups

*We will meet students at any stage of the writing process!*

### What students say:

- Very kind with **feedback** making me feel that I can **improve** my writing **easily** and **confidently**.
- The environment is **beneficial to learning** and the consultants are **supportive**.
- Definitely, helped with **organization** and **clarification** of my written communication.

*From your research to the page: the GSC can help students prepare for publication.*

### About us:

- a quiet space for graduate students
- second floor of the Henry Madden Library
- study rooms
- computer workstations
- collaboration table
- graduate student art gallery
- food friendly
- Writing Studio and Statistics Studio on site

## Statistics Studio

*Empowering graduate students to become more confident statisticians and researchers...*

### What we do:

- Individual in-person or virtual (ZOOM) meetings
- Stats and data analysis program workshops
- Data analysis study groups

*Don't wait and make a mistake; come in early to graduate!*

### What students say:

- Very **helpful** in informing me how to run statistical tests. **Allowed me to do it on my own** and did an excellent job in **explaining the material**.
- The consultant was so **patient** and really took the time to **make sure I understood the data**.
- What is appreciated is the consultant's ability to **speak in layman's terms** and not overwhelm me with "math language."
