

Driving Authorization (Online Process)

You will need to have your Driver's License available before starting and allot about 5 minutes to complete the Driving Authorization form. You will NOT be able to save the form while filling it out and will have to start from the beginning if it is closed before completion. The form will automatically save upon clicking the submission button at the end.

If you need further assistance with this form you can click on the "Need Help with this form? Click Here" button in the top right of the form to access further instructions.

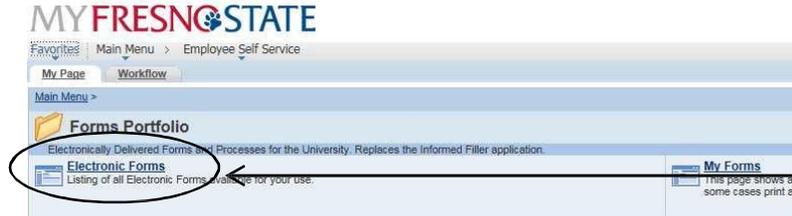

To access and begin the process to obtain or renew state driving authorization you will need to log into the My Fresno State portal.

Once you are signed in, you will find a link on the left panel of your screen that says Forms Portfolio.

Click on this link and then select the Electronic Forms option on the following screen.

This link will take you to a list of all the available online forms. Scroll to the section labeled University and find the Driving Authorization form. If you get a window stating “Pop ups are temporarily blocked...” click on “Allow Once”. This will load the Driving Authorization form that you need to fill out.

There are 6 tabs that you will need to navigate through and fill out. You will need to fill out each tab completely before moving onto the next tab. If you need to go back to a previous tab for any reason while filling out this form you can use the tabs bar across the top of the form. As you progress through the form these tabs will become “activated”, you can go back to any tab you have previously been to by clicking on that tab but you can only go as far forward as you have previously been (i.e. if you are on tab 4 and jump back to tab 1, you will only be able to return to tabs 2-4, tabs 5 and 6 will not be activated yet).

The first tab is asking for contact information and some basic information about you and your supervisor. The first page will have some of your information Auto populated already; please confirm that the information is correct.

A screenshot of the Fresno State website's Driving Authorization Process form, showing the "Contact Info" section. The navigation tabs are visible at the top, with "Contact Info" selected. The form asks for contact information and includes the following fields: Name (Brianna Puff), Campus Email (CIS_bpuff@csufresno.edu), Campus Phone (empty), Department (AC- University Support), and Is your supervisor? (dropdown menu). A "Next" button is at the bottom left.

If the supervisor's name is incorrect or no supervisor is listed, you should select "No" from the drop down options. An additional field will appear below this question asking for your supervisor's name.

The screenshot shows a web form titled "Driving Authorization Process". It has a progress bar with steps: Contact Info (active), State Business, DMV, Personal Vehicle, Defensive Driving, and Summary/Submit. The "Contact Info" section asks for contact details. Fields include Name (Brianna Puff), Campus Email (CIS_bpuff@csufresno.edu), Campus Phone, and Department (AC- University Support). A dropdown menu for "Is your supervisor?" is set to "No". Below it is a text field for "Who is your Supervisor?". A "Next" button is at the bottom left.

When you click in the new field you will get a pop up search box. You can search by your supervisor's name, email, or emplid. When you find your supervisor, select them by clicking in the round button on the left next to your name and then click on "Select Employee" in the bottom left corner.

The screenshot shows a search popup window titled "Select User to Add to Signature List". It has a search input field with "Guinn" entered and a "Search" button. Below is a table with columns for Name, Emplid, and Email. The table lists three employees: Kathryn Guinn, Robert Guinn (selected), and Brady McGuinness. At the bottom, there are "Select Employee" and "Cancel" buttons.

	Name	Emplid	Email
<input type="radio"/>	Kathryn Guinn	109156118	kguinn@csufresno.edu
<input checked="" type="radio"/>	Robert Guinn	101762501	rguinn@csufresno.edu
<input type="radio"/>	Brady McGuinness	101411345	bmcguinness@csufresno.edu

Please note:

The search function will only return the first 10 employees that fit your search. If your supervisor is not listed, please try searching by another piece of information. The easiest way to search for someone is by their email if you know it.

Once you have selected the correct supervisor, their name will be populated into the field. Please verify that it is showing the correct name.

The screenshot shows the Fresno State website header with the logo and tagline "Discovery. Diversity. Distinction." Below the header, there is a navigation bar with the title "Driving Authorization Process" and a progress indicator showing six steps: "Contact Info" (active), "State Business", "DMV", "Personal Vehicle", "Defensive Driving", and "Summary/Submittal". The main content area is titled "We need some information on how to contact you:" and contains the following fields: "Name" (filled with "Branna Putt"), "Campus Email" (filled with "CIS_bputt@csufresno.edu"), "Campus Phone" (empty), "Department" (dropdown menu showing "AC- University Support"), "Is your supervisor?" (checkbox labeled "No" which is checked), and "Who is your Supervisor?" (filled with "Robert Guinn"). At the bottom of the form, there is a blue "Next" button with a right-pointing arrow, which is circled in red.

When you are ready to move to the next tab, click on the "Next" button at the bottom of your screen. If any information is not filled out you will get a pop up reminder to fill it out before moving on in the process.

This screenshot shows the same form as the previous one, but with a validation error pop-up. The pop-up is a white box with a yellow warning triangle icon and the text "The following fields are required:" followed by a list: "Campus Phone" and "Supervisor Email". An "OK" button is located at the bottom right of the pop-up. The background form is dimmed, showing the "Name" field filled with "Branna Putt", "Campus Email" filled with "CIS_bputt@csufresno.edu", and "Campus Phone" filled with "88764".

Depending on what your responses are to various questions, you will see different pop up information that is being requested from you. For example on the second page you are asked if you will be driving on State Business. A “yes” response will bring up several other questions for you to answer, a “no” response will bring up a pop up box asking you to verify that you will not be driving on state business. All “No” responses will be verified by your manager.

If you answer “Yes”, additional fields will appear at the bottom of the form asking for your driver's license information.

The next tab is verifying if you have a California driver's license or one from another state and your authorization of release of your driving record. If you chose to not release your driving record to the University, you will not be authorized to drive on State business. If your driver's license is from a state besides California, you will need to obtain and submit your driving record to the University.

The fourth tab asks if you will be using a personal vehicle while driving on state business. If you will NOT be using a personal vehicle you should not see any additional information on this page. If you ARE using a personal vehicle you will be asked for additional information about your vehicle. Please include all vehicles that you might be driving while on state business.

In order to drive on state business, you are required to have current Defensive Driving certification if you will be driving more than 1 day per month. The fifth tab tells you when the defensive driving course was last taken, when your certification expires and asks you to verify whether you will be driving more than 1 day per month. Should you need to renew your defensive driving certification you will be given further instructions on the following tab.

Please be aware that it may take up to 72 hours for your Defensive Driving Training Certification to be updated on the Online Driving Authorization Process. In the meantime, your information may be inaccurate as displayed. If you believe any of the information is inaccurate, you may contact EHS/Risk Management at 278.7422 to verify. Please allow 72 hours for department databases to update before doing so.

Defensive Driving Certification Training

This training certification is required every four years.

You last took the Defensive Driving Training Certification course on **05/04/2005**.
Your certification expired on **05/04/2009**.

Will you be driving on state business more than 1 day per month?

Note: Driving during an overnight business trip would be driving on state business for more than 1 day in a month. You must also account for the days you may drive other types of vehicles, such as golf carts or applicable farm/maintenance equipment.

Defensive Driving training is optional for individuals who do not drive more than 1 day per month. However, your supervisor must confirm your level of state business driving. He/she may need you to drive more frequently in the future. You will be notified of the confirmation results.
