

Your Guide to Choosing a Health Plan

While CalPERS provides a variety of health plans, only you can decide which one best fits your specific situation. Consider the following factors when choosing a new health plan for you and your family. Plus, there are many tools and resources available to help in your research. If you want to keep your current health plan, no action is needed.

Factors to Consider

- Costs**
 - Your monthly premium
 - Your employer's contribution
 - Your contribution
 - Copays, deductibles, and treatment costs
- Available health plans¹**
 - Your eligibility ZIP code determines the health plans available to you
- Available networks and doctors¹**
 - Doctors, medical groups, hospitals, specialists, labs, pharmacies, etc.
- Covered benefits**
 - Acupuncture, chiropractic, diabetes services, physical/occupational/speech therapies, skilled nursing, home health services, etc.
- Other factors**
 - Does the plan offer health incentives?
 - What services are available when you travel?
 - Are provider locations convenient?
