

## Setting Up myCalPERS Central

A representative from the Fresno Regional Office will be on campus to provide a lab style workshop to guide you on setting up your secure myCalPERS central account. The myCalPERS is a secure, self-service website to access real-time details and balances of your CalPERS account. You will also be able to view your annual member statements, and estimate future retirement benefits.

All CalPERS members are welcome to attend.

**Date:** Wednesday, November 12, 2014

**Location:** University Business Center  
Madden Library Lab 2127
