Information Practices Statement ......................................... 47
INTRODUCTION

Each year, CalPERS sends you an Annual Member Statement that provides information about your CalPERS years of service and member contributions. It’s important to review this statement when you receive it, since your service credit is an important component in determining your future retirement benefits. There may be ways you can increase the amount of CalPERS service credit you have. Perhaps you want to redeposit contributions you previously withdrew or make new contributions for eligible service you performed in the past but didn’t receive credit for.

This publication describes various types of CalPERS service credit you may be eligible to purchase, and helps you decide if the increase in your future retirement benefits is worth the cost. After you have read it, you can review the appropriate section to find out if you may be eligible for a particular service credit option and what process you need to follow to request cost information and elect the purchase.

We encourage you to submit your request to purchase service credit at least one year before you retire in order to ensure your purchase is included in your retirement benefit calculations.

This is especially important if you are requesting to redeposit funds previously withdrawn from CalPERS to re-establish your membership and to coordinate a concurrent retirement date with one or more reciprocal retirement system. For more information about reciprocity, review the CalPERS publication When You Change Retirement Systems.

While reading the information in this publication, please be aware that we are governed by the California Public Employees’ Retirement Law. The statements in this publication are general. The Retirement Law is complex and subject to change. If there is a conflict between the law and this publication, any decisions will be based on the law and not this publication.

Requesting a Service Credit Purchase

In most cases, you must request your service credit purchase cost information before you retire. Be sure to do so early in your retirement planning process.
UNDERSTANDING SERVICE CREDIT

You earn CalPERS service credit for work with a CalPERS-covered employer. It accumulates on a fiscal year basis (July 1 through June 30), and is one of the factors used to calculate your future retirement benefits.

Your retirement benefit is based on:
• Your years of service
• Your age at retirement
• Your highest salary (for one or three consecutive years, depending on your employer’s contract).

To earn a full year of service credit during a fiscal year, in general you must work at least:
• Hourly pay employees – 1,720 hours
• Daily pay employees – 215 days
• Monthly pay employees – 10 months full time

Service Credit Eligibility

To see if you’re eligible to purchase service credit, you need to check your CalPERS Annual Member Statement against your own employment records. Statements are mailed each Fall and the service credit and employment information is as reported through June 30 of that year. (You can also view your Annual Member Statement on the CalPERS On-Line Web site or contact us to request a copy.)

You may be eligible to purchase service credit for a period you withdrew contributions, were a temporary employee, were in the military, or took a leave of absence. You should also review the service credit purchase option information provided on Pages 5 and 6 to see if any of these options applies to you.

Active Members
If you are currently employed by a CalPERS-covered employer, you are eligible to make a service credit purchase. This includes employees of the State, non-certified school employees, and employees of cities, counties, and other public agencies that contract with CalPERS.

Inactive Members
If you are no longer working for a CalPERS-covered employer, but still have service credit on account at CalPERS, you are also eligible to make a purchase. Inactive members can purchase only certain types of service credit. See each option section for specific eligibility.
Retired Members
If you are a CalPERS retiree, there are certain types of service credit you can purchase. See each option section for specific eligibility.

Reciprocal System Members
If you are a former CalPERS member who is an active member of another California retirement system that can be “linked” to CalPERS at retirement, you are eligible to purchase service credit. Retirement systems that have reciprocity with CalPERS are listed on Page 13. You can redeposit previously withdrawn CalPERS contributions and re-establish your CalPERS membership.

You must make the election prior to your retirement with both systems, otherwise your monthly retirement allowance payments may be delayed several months while your membership is being re-established with CalPERS.

Optional Members
If you are an elected or appointed official or a legislative employee who exercises the option of becoming a CalPERS member, you are eligible to purchase service credit.

State Alternate Retirement Program (ARP)
If you are enrolled in ARP on or after August 11, 2004, because you are a new, first time State miscellaneous and industrial employee, you are a member of CalPERS. As such, you are eligible to purchase most types of service credit (unless otherwise specified) provided in this publication, whether or not you are a current or former ARP participant. See Additional Retirement Service Credit (ARSC) and Military for specific eligibility guidelines.

Service Credit Purchase Options
CalPERS offers a variety of service credit purchase options. However, there are some limitations on who is eligible for each, so review the appropriate section to see if you qualify.

Additional Retirement Service Credit
- Currently in compensated employment with a CalPERS-covered employer
- Have at least five years of earned CalPERS service credit
- Can purchase from one to five years of service credit — in whole year increments.

Redeposit
- Withdrew your CalPERS retirement contributions
- Contributions were removed from a member account due to a community property settlement and were refunded.
Military, Peace Corps, AmeriCorps*VISTA, or AmeriCorps Service
- Served in active military duty prior to your CalPERS membership or took a leave of absence to serve on active duty
- Served with the Peace Corps, AmeriCorps*VISTA, or AmeriCorps.

Service Prior to Membership
- Worked for a CalPERS-covered employer before you became a CalPERS member (i.e., seasonal, temporary, or part-time employee)
- Worked for a federal or State employer under the Comprehensive Employment and Training Act (CETA) from 1973 to 1982
- Worked in a fellowship program.

Leave of Absence
- For maternity or paternity
- For a job-related injury or illness (temporary disability)
- To further your education
- To work for a government agency, college, university, or nonprofit organization
- For a sabbatical.

(For a military leave of absence, refer to the military service option above.)

Layoff, Prior Service & Optional Member Service
- Laid off by a CalPERS-covered employer that contracts for the layoff benefit (you must have been a full time employee laid off on or after January 1, 1981)
- Working for your employer before it contracted with CalPERS or before a contract exclusion was removed
- Served as an elected or appointed official or legislative employee.

Second Tier Service
This publication does not include information for State employees interested in converting second tier service to the first tier. If you need this information, contact us to request a Second Tier Conversion Election Package.
PURCHASING SERVICE CREDIT

Service Credit Purchase Costs & Processing Time

Cost is determined using formulas that are established by law which can differ depending on your type of membership (State, school, or public agency) and the service credit you’re requesting. You’ll find more specific information on cost in each section.

Since service credit purchases can be costly, you can use the Service Credit Cost Estimator on the CalPERS On-Line Web site to get an idea of the cost for Additional Retirement Service Credit; Redeposit; Maternity/Paternity; Military, Peace Corps, AmeriCorps*VISTA, or AmeriCorps; and Service Prior to Membership service credit purchases.

All purchase requests are processed on a first in-first out basis, with special consideration given to those already retired or in the process of retiring.

Requesting a Service Credit Purchase
In most cases, you must request your service credit purchase cost information before you retire. Be sure to do so early in your retirement planning process.

We encourage you to submit your service credit request at least one year prior to your retirement date. To have your purchased service credit included in your retirement benefit calculation, we must complete the processing of your service credit purchase election and all required documents.

The processing of elections can take up to 120 days. However, if a valid service credit purchase election is received after your retirement date, appropriate adjustments will be made to your monthly retirement benefit, in most cases retroactive to your retirement date.

Your Service Credit Purchase Decision

Only you can decide if the increase to your future benefits is worth the cost of your purchase. You may want to attend a CalPERS seminar or workshop to find out more. Check with your nearest CalPERS Regional Office for dates and locations. You can also use the Retirement Planning Calculator on the CalPERS Web site to see how additional service could impact your future retirement benefits.

Service With Another Retirement System
You cannot purchase service credit in CalPERS if you have already received credit for it in another public retirement system.
Payment Options

You can choose to pay for service credit in one of four ways.

Lump Sum Payment
You pay the entire amount at one time.

Installment Payments
You can make payments for up to 180 months. Interest continues to accrue until the entire amount is paid.

Partial Lump Sum Payment with Installment Payments
You pay an initial lump sum and spread out payments on the remaining balance. Interest continues to accrue until the entire amount is paid.

Plan-to-Plan Transfer or Rollover
You may be eligible to make a lump sum or partial lump sum payment through a rollover or “in service” plan-to-plan transfer from certain qualified retirement plans and IRA accounts. More detailed information, including specific plan types, will be provided to you along with your election to purchase service credit.

Additional details on payment options, pre-tax vs. after-tax payments, and interest rates will be sent to you with your cost information and election document.

Other Information

If you decide to make installment payments and retire before the entire amount is paid, CalPERS will automatically continue deductions from your monthly retirement allowance (on an after-tax basis), unless you make other payment arrangements.

Service credit purchases have tax implications that need to be taken into consideration. For more information about taxes, contact the IRS, the Franchise Tax Board or a tax advisor. You can obtain a free copy of “Pension and Annuity Income,” IRS Publication 575, by calling toll-free, (800)829-1040, or visiting their web site at www.irs.ustreas.gov. Contact the Franchise Tax Board by calling toll-free, (800)852-5711 or visit their web site at www.ftb.ca.gov.

CalPERS On-Line has additional information regarding service credit purchases (i.e. what is service credit, who can purchase, what happens next and service credit purchases options), refer to such topics as: Service Credit; Estimate my Service Credit, FAQ’s and Payment Options.
**Steps for Making a Service Credit Purchase**

**CalPERS Review**

When CalPERS receives your completed request form, we will:

- **Review your request.** If the form is incomplete we will mail a copy of the original form and a new form to be completed and returned to CalPERS.
- If you are **not** eligible, we will send you a letter of explanation.
- If you **are** eligible, we will calculate the cost and mail your service credit purchase packet to you.

**Your Final Decision**

When you receive the service credit purchase packet, you need to:

- **Choose the payment option** that is right for you.
- **Complete and sign** the election document.
- **Make a copy** for your records, and mail the original to CalPERS.

**Your Documentation**

If you select a payment option that includes a lump sum or partial payment, that payment — and any documentation required — needs to be returned at the same time as your signed election document.
ADDITIONAL RETIREMENT SERVICE CREDIT PURCHASE OPTION

Active CalPERS members can purchase from one to five years of service credit that can be used toward retirement. This is called Additional Retirement Service Credit (Air Time or Non-Qualified Service). This credit is not based on actual employment, so it cannot be used to qualify you for retirement, health or dental benefits vesting.

Who’s Eligible?

You can purchase Additional Retirement Service Credit if you are:
- In compensated employment with a CalPERS-covered employer (active member)
- Have at least five years of earned CalPERS service credit.

State Alternate Retirement Program (ARP) service does not count towards the five years of earned CalPERS service credit unless the member elects to transfer their ARP funds to CalPERS during their 47th to 49th month ARP election or elects to purchase the service credit based on a present value calculation after their election period.

You cannot purchase Additional Retirement Service Credit if you are:
- Retired
- An inactive CalPERS member.

What’s Required?

- You must purchase the available one to five years of service credit in whole year increments.
- Only one service credit purchase election can be accepted, even if you choose to elect less than five years.
- Your request form must include a printed copy of a service credit cost estimate from the online Service Credit Cost Estimator on our Web site.

What’s the Cost?

The cost to purchase this service credit is calculated using the present value method. That means it is based on a pay rate that provides the best estimate of your future potential final compensation at retirement. We look at the projected retirement benefit increase you can expect to receive with this additional service (at retirement, disability, death, or other termination from employment), then we convert that to a lump sum in today’s dollars.

Determining the increase to your future benefits involves a number of actuarial assumptions, including projected retirement age, life expectancy, and the possibility that some may not retire, but instead become disabled, die, or terminate their CalPERS membership. These probabilities are the same assumptions used to ensure all our benefits are adequately funded.
The actuarial tables used in this process are updated when there are changes to existing benefits, new benefits are mandated by law, or changes in retirement assumptions are made to reflect current best estimates of retirement patterns or other actual factors. Remember, your election to purchase service credit is irrevocable. Once your election purchase is processed, any future changes to the actuarial assumption factors will not affect the cost of your service credit purchase.

**What’s Next?**

The documents you need to make an Additional Retirement Service Credit purchase are available only on the CalPERS On-Line Web site. You will need to visit the site to get the request form and to complete a cost estimate.

**Step 1**
Calculate and print a copy of your service credit purchase cost estimate using our online Service Credit Cost Estimator. You’ll also need to print a copy of the required *Request for Service Credit Cost Information — Additional Retirement Service Credit* request form, which is available in the online Forms and Publications Center.

**Step 2**
Complete the request form indicating the number of years of Additional Retirement Service Credit you want to purchase. Only one check box in this area can be marked. Attach a copy of your ARSC cost estimate that you completed on our Web site.

**Step 3**
Make a copy of your request form, along with your online service credit purchase estimate calculation for your records. Mail the originals to CalPERS at the address shown on the form.

---

**Getting Request Forms**
This CalPERS publication does not include the forms required to request an Additional Retirement Service Credit purchase. You can find the form — as well as more information on this purchase option — on the CalPERS On-Line Web site at [www.calpers.ca.gov](http://www.calpers.ca.gov).

**Your Future Retirement Benefits**
We encourage you to use our online Retirement Planning Calculator to compare retirement estimates with and without a purchase of Additional Retirement Service Credit. You can then see how this would impact your future benefits.
REDEPOSIT OF WITHDRAWN CONTRIBUTIONS
PURCHASE OPTION

If you were previously a CalPERS member, left your CalPERS-covered employer, and took a refund of your contributions and interest, you may be eligible to redeposit these funds and get back those years of service credit.

Who’s Eligible?

You can redeposit funds you previously withdrew from CalPERS if you’re an:
- Active CalPERS member
- Inactive CalPERS member with service credit still on account
- Member of a reciprocal California public retirement system (see next page)
- Member whose ex-spouse or former domestic partner received a portion of your account as part of a community property judgment or settlement and took a refund of the contributions.

You cannot redeposit if:
- Your service was with another public retirement system (not CalPERS) (you may want to contact that system to find out if you can purchase service credit with them)
- You have previously purchased this service credit with CalPERS
- You are now an active or inactive CalPERS member, but the agency you previously worked for does not currently contract with CalPERS
- You received credit for this CalPERS time under another public retirement system
- You are retired.

What’s Required?

If you withdrew contributions for one or more membership periods in one withdrawal, you must redeposit in one redeposit election. If you made separate withdrawals of your contributions for one or more membership periods, you can redeposit in one redeposit election or in separate redeposit elections. If you choose to make separate redeposit elections, you must begin with the most recent withdrawal and end with the oldest.

What’s the Cost?

CalPERS calculates the amount of the refund, plus interest, compounded annually to the date you make the purchase. You can use the online Service Credit Cost Estimator on the CalPERS Web site to get an idea of the cost for purchasing this service.

What’s Next?

Gather your employment history information for the time (or times) you withdrew your CalPERS contributions. Then complete the request form.
Members of the following reciprocal California public retirement systems may be eligible to redeposit funds they withdrew from CalPERS.

**Reciprocal Retirement Systems**

State Teachers’ Retirement System

STEPS FOR REQUESTING SERVICE CREDIT COST INFORMATION

Step 1

Complete Section 1 of the Request Form.
If we provided you cost information for this type of service credit purchase in the past, check the Yes box and indicate the date your request was submitted. If you submitted a retirement application, check the Yes box, and indicate your planned retirement date.

Section 1
Fill in your current mailing information.

Section 2
List all periods of employment for which you withdrew contributions.

Section 3
Sign and date the request form.

If you are currently an active or inactive CalPERS member, go directly to Step 3. If you are currently in another retirement system, go to Step 2.

Step 2

Give the form to your current retirement system to complete Sections 4, 5, and 6 (your Personnel Office can give you the address). When you receive it back, continue to Step 3.

Step 3

Submit the completed request form. Be sure to make a copy for your records. Then, mail the original to CalPERS at the address shown on the form.
Request for Service Credit Cost Information — Redeposit of Withdrawn Contributions

MILITARY SERVICE CREDIT PURCHASE OPTION

If you are a CalPERS member who served in the military you may be able to purchase this time as CalPERS service.

If you are a current or retired CalPERS member through employment with the State, University of California, or California State University, or if you are a current, former, or retired member of a CalPERS-covered school or public agency employer that contracts for this option, you may be eligible to purchase a maximum of four years of active duty military service credit. Because purchase of this service credit may be costly, you should consider it carefully. You can use the online Service Credit Cost Estimator on our Web site to get an estimate of the cost and see how this additional service credit could impact your future retirement benefits.

Who’s Eligible?

You can purchase military service credit if you’re a current or retired:
• State or school CalPERS member (see exceptions below)
• Public agency member whose employer contracts for this option.

You cannot purchase military service credit if you:
• Receive military retirement pay based on 20 years’ active military service
• Are employed as a safety member with the Los Angeles Community College District
• Have received military service credit in any other retirement system.

What’s Required?

Current State and school members must have:
• Served in active duty military at least one year
• Be honorably discharged
• A minimum of one year of earned CalPERS service for each year of active duty military service credit requested (four-year maximum).

State Alternate Retirement Program (ARP) service does not count towards the years of earned CalPERS service credit unless the member elects to transfer their ARP funds to CalPERS during their 47th to 49th month ARP election or elects to purchase the service credit based on a present value calculation after their election period.

Retired State and school members must have:
• Served in active duty military at least one year
• Be honorably discharged
• Retired with at least one year of CalPERS service for each year of active duty military service credit requested
• Retired on or after December 31, 1981
• Retired within 120 days of separation from a qualifying employer.

Your Military Leave of Absence

If you were granted a military leave of absence, entered active military duty within 90 days of leaving your CalPERS-covered employment, and then returned to CalPERS-covered employment (or were placed on a State civil service reemployment list) within six months of your discharge date, service credit may be posted to your account at no cost.

If you returned to employment after the six-month period, you will be required to pay a portion of the cost. There are no limitations on the amount of time that can be credited. However, you do need to request the service credit and provide us with a copy of your Military Service Record.
Current members of a public agency whose employer contracts for this option:

- Must have served in active duty military
- May be eligible to purchase up to an additional six months of service credit, up to a maximum of four years.

Retired members of a public agency employer that contracts for this option must:

- Have served in active duty military
- Have retired within 120 days of separation from a qualifying employer.

What's the Cost?

The cost to purchase this service credit is calculated using a present value method. That means it is based on a pay rate which provides the best estimate of your future final compensation at retirement. We look at the projected retirement benefit increase you can expect to receive with this additional service (at retirement, disability, death, or other termination from employment), then we convert that to a lump sum in today’s dollars.

Determining the increase to your future benefits involves a number of actuarial assumptions, including projected retirement age, life expectancy, and the probability that some may not retire, but instead become disabled, die, or terminate their CalPERS membership. These probabilities are the same assumptions used to ensure all our benefits are adequately funded.

The actuarial tables used in this process are updated when there are changes to existing benefits, new benefits are mandated by law, or changes in retirement assumptions are made to reflect current best estimates of retirement patterns, or other actuarial factors. Remember, your election to purchase service credit is irrevocable. Once your election purchase is processed, any future changes to the assumption factors will not affect the cost of your service credit purchase.

You can use our online Service Credit Cost Estimator to get an estimate of the cost of purchasing this service.
What’s Next?

Gather your military service information. Then complete the appropriate side of the request form. In all cases, you must submit supporting documentation (i.e., copy of Military Discharge Documents, DD-214, Certification of Military Service record, etc.) to CalPERS for all active duty periods, along with the request form. You can get a copy of your discharge document from:

**National Personnel Records Center**
Military Personnel Records
9700 Page Avenue
St. Louis, MO 63132-5100
http://www.archives.gov

You can also complete and mail in Standard Form 180, available on their Web site.

PEACE CORPS, AMERICORPS*VISTA, OR AMERICORPS SERVICE CREDIT PURCHASE OPTION

If you are an active or inactive CalPERS member, you may be eligible to purchase credit for up to three years of service in the Peace Corps, AmeriCorps*VISTA (Volunteers In Service To America), or in AmeriCorps.

Who’s Eligible?

You can purchase Peace Corps, AmeriCorps*VISTA, and AmeriCorps service credit if you are a:

- State or school member
- Public agency member and your employer contracts to provide this option.

You cannot purchase Peace Corps, AmeriCorps*VISTA, or AmeriCorps service credit if:

- You are retired
- You do not have certification of your dates of service
- Your public agency employer does not include this option in its CalPERS contract.

What’s Required?

You must be able to provide documentation certifying dates of service.

What’s the Cost?

The cost is based on your current pay rate, the amount needed to fund your future retirement benefits, and how much eligible Peace Corps, AmeriCorps*VISTA, or AmeriCorps service time you have. You can use the online Service Credit Cost Estimator on the CalPERS Web site to get an idea of the cost of purchasing this service.
What’s Next?

Gather your volunteer service information. Then complete the appropriate side of the request form, and send it, along with a copy of your Peace Corps, AmeriCorps*VISTA, or AmeriCorps certification letter, to the address at the bottom of the form. You can request a certification letter from:

Peace Corps
Attn: Certifying Officer
Volunteer & Staff Payroll Services Division
1111 20th Street, NW
Washington, DC 20526

AmeriCorps*VISTA/AmeriCorps
Attn: CNCS/AmeriCorps*VISTA
Certifying Officer
1201 New York Avenue, N.W.
Washington, DC 20525
Request for Service Credit Cost Information — Peace Corps, AmeriCorps*VISTA, or AmeriCorps

Beginning Date of Service (mm/dd/yyyy)  Ending Date of Service (mm/dd/yyyy)

Section 3

Certification

I hereby certify that the above information is true and correct.

Member Signature  Date (mm/dd/yyyy)

Attach a copy of your Peace Corps, AmeriCorps*VISTA, or AmeriCorps certification letter.
Employment with a CalPERS-covered employer before becoming a CalPERS member may be creditable. Service Prior to Membership (SPM) credit may be available for employment which did not qualify for membership, usually because of a limited time base or term of employment. Time spent working for a federal or State employer under the Comprehensive Employment & Training Act (CETA) or time spent in the Assembly, Senate, Executive, or Judicial Administration in a Fellowship (Fellowship) program may also be available.

Who’s Eligible?

If you are now an active or inactive CalPERS member, you may be able to purchase service time if you worked:

- For a CalPERS-covered employer as a seasonal, temporary, part-time, or intermittent employee, but were not a CalPERS member
- Under CETA for a federal or State-sponsored program from 1973 to 1982, such as the Public Employee Program, Public Service Employment, Disabled Veterans’ Outreach Program, Public Service Employment Program, or Cal Esteem
- Under the Assembly, Senate, Executive, or Judicial Administration fellowship program.

You cannot purchase CalPERS service time if:

- The agency where the service was earned does not currently have a contract with CalPERS
- Your service is excluded by law or by the employer’s contract with CalPERS
- You worked at a school in a certified position (you may want to contact the State Teachers’ Retirement System to find out if you can purchase service with that system)
- You worked at the University of California after October 1, 1963 (you may want to contact the University of California Retirement Plan to find out if you can purchase service with that system)
- You work for a contracting agency which does not provide the fellowship service credit type option
- You are retired.

What’s Required?

You must be an active or inactive CalPERS member and be able to provide CalPERS with documentation certifying your dates of service.
What’s the Cost?

SPM
The cost of service prior to membership is based on your pay rate and contribution rate on the date you became a member (after the service was rendered), and interest will be compounded annually to the date you make the purchase.

CETA
The cost for service credit for the CETA is based on a pay rate that provides the best estimate of your future final compensation at retirement, the amount needed to fund your future retirement benefits, and how much service you are eligible to purchase.

Fellowship
The cost of crediting your fellowship program service depends on the dates of that service and the program you participated in.
- Participants in the Assembly, Senate, and Executive Fellowship Programs have been excluded from membership since October 14, 1991.
- Participants in the Judicial Administration Fellowship Program have been excluded from membership since January 1, 2003.

If your fellowship service was rendered before the applicable exclusion, the costing method is the same method that is used for Service Prior to Membership. If your fellowship service was rendered after the exclusion, the costing method for your service is the same method that is used for CETA.

You can use the online Service Credit Cost Estimator on the CalPERS Web site to get an idea of the cost of purchasing this service credit.

What’s Next?

Gather your employment history information for the time that you worked for a CalPERS-covered employer before becoming a CalPERS member. Then complete the request form following the steps shown.
STEPS FOR REQUESTING SERVICE CREDIT
COST INFORMATION

Step 1

Complete Section 1 of the request form.
If we have provided cost information to you in the past for this type of service credit purchase, check the Yes box and indicate the date your request was submitted. If you have submitted a retirement application, check the Yes box and indicate your planned retirement date.

Section 1
Complete your current mailing address information.

Section 2
Indicate the employer name where the service was earned and list all periods of employment you are requesting credit for service prior to membership.

Section 3
Sign and date the request form.

Step 2

Give the form to the employer you worked for when the service was earned so they can complete Page 2 of the form. When you receive it back, continue to Step 3.

Step 3

Mail the original to CalPERS at the address shown on the form. Be sure to make a copy for your records.

Completing Your Request

If your service prior to membership was with the State or with a California State University, go directly to Step 3.

For service with the Senate Assembly and Joint Rules Committees, as well as for service with those agricultural associations which don’t use the Uniform State Payroll System go to Step 2.

If your service prior to membership was with the University of California (prior to October 1, 1963), a public agency, school, or fellowship service, go to Step 2.

In some instances service with the State may still require employer certification. We will notify you if that is needed in your case.

LEAVE OF ABSENCE PURCHASE OPTION

A leave of absence is time that you had authorization from your employer to be absent from some or all of your duties. This may be time you took for maternity or paternity, temporary disability, educational, service, or sabbatical purposes. To be eligible to purchase service credit for this time, you must have returned to CalPERS-covered employment after the leave of absence.

By law, some service leaves of absence are not eligible for CalPERS service credit, even if the employer gives prior approval.

Who’s Eligible?

You may be able to purchase service credit for a leave of absence if you are an:
- Active or inactive CalPERS member (with the exception of maternity/paternity and temporary disability leave which are available to all members, eligibility depends on type of leave and employer contract).

You cannot purchase service credit for a leave of absence if:
- The leave was not approved by your employer
- You retired prior to your request to purchase service credit.

What’s Required?

Maternity/Paternity Leave
Time off after the birth or adoption of a child.

- You must return to CalPERS-covered employment at the end of the approved leave, and remain in the CalPERS-covered employment at least the same amount of time
- You can purchase up to 12 months per leave
- You cannot purchase additional service if you have already earned a full year of credit (10 full-time months) during that fiscal year (July 1 through June 30).

Temporary Disability Leave
Time off while receiving temporary disability payments because of a job-related injury or illness.

- You must either return to CalPERS-covered employment or immediately retire after your leave of absence (you must request cost information prior to retirement).
- There is no limit to the amount of time you can purchase
- You have requested to purchase this service credit prior to retirement.
Educational Leave of Absence
Time off to pursue higher education.

- You must be a State, University of California, or California State University employee both before and on your return from the leave
- You can purchase a maximum of two years’ service credit (even if the combined total of your educational leaves exceeds two years).

Service Leave
Time off to work with a college or university; a local, State, federal, or foreign government agency; or certain nonprofit organizations.

- You must be an active or inactive CalPERS member
- You can purchase a maximum of two years’ credit for each service leave
- You must return to CalPERS-covered employment with the employer from which the leave was granted, or immediately retire after your leave of absence. If the leave was from a California State University, the employer you return to could include any campus within the CSU system. (You must request cost information prior to retirement).

Sabbatical Leave
A partially compensated leave of absence from CalPERS-covered employment.

- You must be an active or inactive CalPERS member
- There is no maximum time you can purchase
- You must return to CalPERS-covered employment after your leave of absence.

What’s the Cost?

Maternity/Paternity, Educational, Service & Sabbatical Leaves
The cost to purchase this service credit is calculated using a present value method. That means it is based on a pay rate which provides the best estimate of your future final compensation at retirement. We look at the projected retirement benefit increase you can expect to receive with this additional service credit (at retirement, disability, death, or other termination from employment), then we convert that to a lump sum in today’s dollars.

Determining the increase to your future benefits involves a number of actuarial assumptions, including projected retirement age, life expectancy, and the probability that some may not retire but instead become disabled, die, or terminate their CalPERS membership. These probabilities are the same assumptions used to ensure all our benefits are adequately funded.
The actuarial tables used in this process are updated when there are changes to existing benefits, new benefits mandated by law, or changes in retirement assumptions are made to reflect current best estimates of retirement patterns or other actuarial factors. Remember, your election to purchase service credit is irrevocable. Once your election purchase is processed, any future changes to the assumption factors will not affect the cost of your service credit purchase.

You can use the online Service Credit Cost Estimator to get an idea of the cost of purchasing this service.

**Temporary Disability Leave**

The cost is based on your pay rate and contribution rate when you return from your leave, or the day prior to your leave if you immediately retire. The CalPERS interest is calculated from this date through the date you make the purchase.

**What’s Next?**

Gather your employment history information for the time prior to your leave. Fill out Page 1 of the form according to the steps for requesting service credit cost information. For temporary disability leaves, the employer will then forward the form to the compensation carrier that provided you temporary disability benefits for completion of Sections 5 and 6.
STEPS FOR REQUESTING SERVICE CREDIT
COST INFORMATION

Step 1

Complete Section 1 of the request form.
If we provided your cost information in the past for this type of service credit purchase, check the Yes box and indicate the date your request was submitted. If you submitted a retirement application, check the Yes box and indicate your planned retirement date.

Section 1
Provide the information requested.

Section 2
Provide information about the employer that granted you the leave and indicate dates and type of leave.

Section 3
Sign and date the request form.

If your leave of absence was with the State or with a California State University, go directly to Step 3. If we need additional information, we will contact you.

Step 2

Give the form to the employer that granted you the leave to complete Section 4 (and to forward it to the compensation carrier for completion of Sections 5 and 6, as needed). When you receive it back, continue to Step 3.

Step 3

Submit the completed request form. Be sure to make a copy for your records, and mail the original to CalPERS at the address shown on the form.

LAYOFF, PRIOR SERVICE & OPTIONAL MEMBER SERVICE PURCHASE OPTION

Other service credit options include layoff (time spent away from work as a result of a formal layoff); prior service (time worked for an employer before it contracted with CalPERS or the contract included this option); and optional member service (time spent working in certain exempt, appointed, or elected positions).

Who’s Eligible?

You can purchase service credit for layoff, prior service, or optional member service if:

• You are (or elect to become, if eligible) a CalPERS member.

You cannot purchase service credit if:

• Your agency did not contract for this option
• You are retired.

What’s Required?

Layoff
Time spent away from work as a result of a formal layoff action.

• You must be an active or inactive CalPERS member
• You must have been laid off from a CalPERS-covered public agency employer that had this option in their contract
• You must have been a full-time employee prior to being laid off
• The layoff period must have been on or after January 1, 1981
• You must have returned to full-time, CalPERS-covered employment with the layoff employer within 12 months of being laid off
• You must currently be active with the layoff employer
• You must elect to purchase this service within three years of returning to work or within three years of the effective date your employer adds this option to their contract
• You must redeposit any contributions you withdrew during the layoff, plus interest
• You can purchase a maximum of one year for each layoff period.

Prior Service
Time worked for an employer before they contracted with CalPERS (or before the contract included this option).

• You must be an active or inactive CalPERS member
• There is no maximum amount of time for which you can receive credit
• If you worked for a CalPERS-covered employer
• The agency must have contracted for this option
• Limitations or restrictions vary by agency (i.e., some agencies can require you be employed on the effective date of the contract). Check with your Personnel Office.
Optional Member Service

Time spent working in certain exempt, appointed, or elected positions that allow employees the option of joining CalPERS.

- You must be an optional member on the date you request your cost information, and you must elect CalPERS membership at the same time. (If you formerly held an optional position and are now a CalPERS member, you can also purchase your former service. See Service Prior to Membership for more information)
- There is no limitation on the amount of time that can be purchased.

What’s the Cost?

Layoff

You must pay the contributions due for the period you were laid off, plus interest, compounded annually to the date you make your purchase. The cost is based on your pay rate and the contribution rate on the date you returned to employment. Interest is calculated from the date you return through the date you make the purchase.

Prior Service

This benefit depends on the specific terms of your employer’s contract with CalPERS. Depending on the contract, you could be:
- Credited at no cost with all of the service credit you would have earned
- Credited at no cost with some of the service credit you would have earned, and be given the option to purchase the rest, based on your pay rate and the contribution rate on the date you became a member (after the service was rendered), plus interest, compounded annually to the date you make your purchase
- Given the option to purchase the service credit you would have earned, based on your pay rate and the contribution rate on the date you became a member (after the service was rendered), plus interest, compounded annually to the date you make your purchase.

Optional Member Service

The cost calculation is based on your pay rate and contribution rate on the date you became a member (after the service was rendered), plus interest, compounded annually to the date you make your purchase.

What’s Next?

Gather your employment history information for the period just before your layoff or during your prior or optional member service. Fill out Sections 1, 2, and 3 of the form. Then, have the appropriate employer fill out Section 4.

For Layoffs Only

Have your employer fill out Page 2 of the request form and certify that the information is correct.

What’s An Optional Member?

An optional member can be a State employee who was appointed by the Governor, Lieutenant Governor, Attorney General, Controller, Secretary of State, Treasurer, or Superintendent of Public Instruction and is exempt from civil service.

Some officials elected or appointed to a fixed term of office with a city or county (can include city attorneys and elected or appointed School and contracting agency officials — eligibility is determined by the term of office dates) are also optional members.

And, an employee of the California State Senate or Assembly who is paid from funds controlled by either body is an optional member.
STEPS FOR REQUESTING SERVICE CREDIT
COST INFORMATION

Step 1

Complete Section 1 of the request form.
If we have provided you cost information for this type of service credit purchase in the past, check the Yes box, and indicate the date your request was submitted. If you have submitted a retirement application, check the Yes box and indicate your planned retirement date.

Section 1
Provide the information requested.

Section 2
List your employment information.

Section 3
Sign and date the request form.

Step 2

Give the form to the agency where you were employed at the time of your layoff, prior service, or optional member service to complete Page 2 of the request form. When you receive it back, continue to Step 3.

Step 3

Submit the completed request form. Be sure to make a copy for your records, and mail the original to CalPERS at the address shown on the form.

INFORMATION PRACTICES STATEMENT

The Information Practices Act of 1977 and the Federal Privacy Act require the California Public Employees’ Retirement System to provide the following information to individuals who are asked to supply information. The information requested is collected pursuant to the Government Code (Sections 20000, et seq.) and will be used for administration of the CalPERS Board’s duties under the California Public Employees’ Retirement Law, the Social Security Act, and the Public Employees’ Medical and Hospital Care Act, as the case may be. Submission of the requested information is mandatory. Failure to supply the information may result in the System being unable to perform its function regarding your status and eligibility for benefits. Portions of this information may be transferred to State and public agency employers, State Attorney General, Office of the State Controller, Teale Data Center, Franchise Tax Board, Internal Revenue Service, Workers’ Compensation Appeals Board, State Compensation Insurance Fund, County District Attorneys, Social Security Administration, beneficiaries of deceased members, physicians, insurance carriers, and various vendors who prepare the microfiche or microfilm for CalPERS. Disclosure to the aforementioned entities is done in strict accordance with current statutes regarding confidentiality.

You have the right to review your membership file maintained by the System. For questions concerning your rights under the Information Practices Act of 1977, please contact the Information Coordinator, CalPERS, 400 Q Street, P.O. Box 942702, Sacramento, CA 94229-2702.
