

**Medicaid and the State Children’s Health Insurance Program (SCHIP/CHIP)*
Offer Free or Low-Cost Health Coverage to Children and Families**

If you are eligible for health coverage from your employer, but are unable to afford the premiums, some States have premium assistance programs that can help pay for coverage. These States use funds from their Medicaid* or CHIP* programs to help people who are eligible for employer-sponsored health coverage, but need assistance in paying their health premiums.

If you or your dependents are already enrolled in Medicaid* or CHIP* and you live in a State listed below, you can contact your State Medicaid* or CHIP* office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid* or CHIP*,* and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid* or CHIP* office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you and/or your dependents enroll in State Medicaid* or CHIP*, but subsequently lose eligibility, you and your dependents can be re-enrolled in the employer’s health plan. If you (or your dependent(s)) are already enrolled in your employer’s health plan, but become eligible for State Medicaid* or CHIP*, you have the right to dis-enroll yourself and/or your dependent(s) from the employer’s health plan**. *These special enrollment/disenrollment requests must be submitted to the Benefits Office within 60 days after you or your dependent(s) is terminated from, or determined to be eligible for such assistance.*

If you live in one of the following States, you may be eligible for assistance paying your employer health plan premiums. The following list of States is current as of July 31, 2011. You should contact your State for further information on eligibility –

*In the State of California, Healthy Families is the equivalent of the SCHIP/CHIP program and provides, health, dental and vision coverage to dependents age 18 or younger. The Medi-Cal Program is the equivalent of Medicaid. These programs are income-based and are available to individuals that may or may not qualify for health coverage through the employer.

**Please note: If you opt to enroll or re-enroll in your employer's plan, you can opt to enroll yourself only or yourself and your dependents. Dependents cannot be enrolled in the employer's plan without the employee being covered also.
