

**Create one centralized Leadership institute that will provide training and workshops, bring in guest speakers, and eventually provide some sort of Achievement Certificate.**

**CURRENT CHALLENGE:**

There are multiple proposed and ongoing Leadership programs being developed on campus by and for students, faculty, and staff.

**PROPOSED SOLUTION:**

Create one centralized Leadership institute (not specific to one school or college) that will provide training and workshops, bring in guest speakers and eventually provide some sort of Achievement Certificate.

**BENEFITS TO FRESNO STATE:**

Combine resources into one centralized location instead of multiple people doing the same thing.
