

# Brew U at the Downtown Center

Wednesdays, April 26, May 3,  
10, 17, and 31, 6 – 7 pm at the  
Downtown Center

and

Saturday, May 20, 9 am –  
12 pm at Full Circle Brewing Co.

*Fresno State's Downtown Center is partnering with Full Circle Brewing Co. to offer the Brew U series.*

Craft Beer 101 will expose those (21 and over) who have a general consumer interest in beer or an aspiration to home brew, commercial brew, or generally be a part of the Craft Beer industry.

In the first course of the Brew U series, learn the difference between Craft Beer and the products produced by major manufacturers and discuss the history of beer in America, before and after prohibition.

We will cover the basics of Craft Beer and provide the opportunity to witness the actual brewing process on a commercial scale. You'll learn about styles and major ingredients in Craft Beer (water, grain, yeast, hops), and the science of fermentation.
