Picking up Awards (and Prizes)

1. When your name is announced, please use the perimeter aisle to make your way to the S/W corner of the arena.
2. You will not walk across the stage to receive your award; instead, the awards tables will be located on the ground level to the left of the stage.
3. Each award table will be labeled by Years of Service or Prize (ex: 5 Years, 10 Years, Retirees, Prizes, etc).
4. Line up behind the table representing your category.
5. Give the person at the table your name to receive your award (each award has each individual's name engraved).
6. Once you have received your award, proceed around the back of the stage, exit through the right of the stage and proceed down the aisle back to your table.
