

READING & BEYOND

at Fresno State

+ Program Description

Fresno State & community partner, Reading and Beyond, provide quality K-6 literacy services while ensuring meaningful service experiences for college students. Tutors receive financial aid work-study funds in return for their service activities.

+ Professional Development

FS students participate in a weekly tutor training, covering topics such as lesson plans, leadership, behavior management, extension activities, & community service. They also participate in school carnivals, local revitalization projects, and educational & health community events.

187 Fresno State student tutors
