

# Jeanne Clery Campus Security Policy & Crime Statistics Disclosure Act

*What you need to know if you are a  
Campus Security Authority at  
Fresno State*

## **Jeanne Clery Campus Security Policy & Crime Statistics Disclosure Act (Clery Act)**

- The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is the landmark federal law, originally known as the Campus Security Act, that requires colleges and universities across the United States to disclose information about crime on and around their campuses
- All public and private institutions of postsecondary education participating in federal student aid programs are subject to it. Violators can be "fined" by the U.S. Department of Education, the agency charged with enforcement of the Act and where complaints of alleged violations should be made, or face other enforcement action

# Jeanne Clery

- The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security policies.
- The "Clery Act" is named in memory of 19 year old Lehigh University freshman Jeanne Ann Clery who was raped and murdered while asleep in her residence hall room on April 5, 1986

# What does it have to do with you?

- Clery Act compliance is a mandatory *institutional* reporting responsibility and full compliance necessitates a campus-wide effort and concerns all members of the campus community.
- Many crimes (especially sexual assaults) and disciplinary actions go unreported to police (but may be reported to others)
- The Fresno State Police Department coordinates and submits the annual report.
- **Data is collected from a wide variety of “Campus Security Authorities” to get the most accurate crime statistics possible – That’s where you come in.**

- Campus Security Authorities..That's You

# What makes you a Campus Security Authority (CSA)?

- The law defines four categories of Campus Security Authority:
  - Fresno State Police

  - People/offices designed under our policy as those to whom crimes should be reported
  - “Officials with significant responsibility for students and campus activities” – THAT’S YOU!

# Who is NOT a CSA

- Administrative staff not responsible for students (e.g., payroll, facilities)
- Clerical Staff
- Individual faculty who do NOT serve as advisor to a registered student organization
- Those who are exempt by law: Student Health Center Clinicians who only provide care to individual students.

## So You're a CSA
