## Clery Maps

The crime statistic tables reflect the mandatory reporting offenses as specified in the Jeanne Clery Act. The tables display crime data over the past three calendar years and are separated by crimes occurring in four different geographical locations:

1. **On Campus (Green)**– The main core campus footprint.
2. **Residential Student Housing (Purple)** – Inside on campus student housing facilities (crimes occurring at student housing are also included in the On Campus table.)
3. **Non-Campus (Blue)** - Crimes occurring off of campus property at University recognized organizations (fraternity/sorority), and leased offices, and
4. **Public Property (Yellow)** - Crimes occurring on the borders of the University.
