How To Do Business With

FRESNO STATE

Discovery. Diversity. Distinction.

Certified Small Businesses and Disabled Veteran Business Enterprises

As part of the CSU's continuing business opportunities and outreach program, Fresno State is actively seeking to do business with Small Businesses (SB) and Disabled Veteran Business Enterprises (DVBE). It is our policy to utilize these enterprises to the maximum extent possible.

Fresno State wants to ensure, in accordance with legislative requirements, that a fair proportion of its annual procurements are awarded to such firms offering dependable service and quality product at competitive prices.

Questions regarding SB and DVBE programs should be addressed to Fresno State's SB and DVBE Advocate:

Public Works & Professional Services Bidding

Public Works projects are divided into Major Capitol (\$656,000+) and Minor Capitol projects (<\$656,000). To compete for Major Capitol projects, your company must register with the CSU Chancellor's Office at www.calstate.edu/cpdc/CM

Contractors interested in Minor Capital projects must prequalify with the Procurement Office at Fresno State by attending a Minor Capital Contractor Pre-Qual Orientation with a Public Works Buyer. You may call at any time to schedule your appointment.

Professional Services related to Public Works projects may include Inspectors of Record, architects, engineers, project managers, abatement/testing services, designers and consultants.

Minor capital Professional Services are selected on an as-needed basis directly by Facilities Management.

Major Capital Architects must prequalify with the CPDC Division of the CSU Chancellor's Office at: www.calstate.edu/cpdc/ae/prequal
