

# Many Degrees of Success

Fresno State's graduate programs are proof that education is a lifelong journey. More than 4,000 students are enrolled in master's, doctoral or advanced studies programs in fields ranging from agriculture and biology to social work and winemaking.

The university's graduate programs enhance the region's competitive edge by providing a strong pool of top flight graduate students that attracts new business and industry. Students participate in exciting discoveries and innovative technologies through university-sponsored research – developments that can benefit the world.

Join us for Grad Expo 2007, a student recruiting event scheduled for 2:30 - 7 p.m. Thursday, Nov. 1 in the Student Recreation Center.
