

Bulldog Pride

Fresno State alumni make significant contributions to the community and the world. Each year outstanding alumni are honored at the Top Dog Alumni Awards Gala at the Save Mart Center.

On Oct. 18, Boeing Company Senior Vice President Larry Dickenson (Class of '65) will be recognized as Distinguished Alumnus for his success in the aviation industry. He'll be honored with 15 other renowned alumni.

Fresno State is the university of opportunity for 22,000 students. Just like Larry, they go on to accomplish great things for all of us. That's what Bulldog Pride is all about.
