

Shop Fresno State

Shopping for seasonal celebrations? Think Fresno State.

Our world-class agriculture programs offer student-produced foods and beverages for every palate. The Farm Market sells everything from jams and almonds to raisins and award-winning Fresno State wines and olive oil. The Fresno State floral program offers poinsettias and wreaths in addition to its usual offerings of flower arrangements and plants.

Honor a teacher by purchasing a commemorative brick on the Teacher Honor Wall.

There are many ways to support Fresno State while enjoying the season.
