

# Team Behind our Teams

Since 1933, the Bulldog Foundation has made a difference in the lives of student-athletes. Foundation members and volunteers help provide students an outstanding college experience through financial support of scholarships, facilities and operational needs.

Athletes such as former Bulldog quarterback Kevin Sweeney know the importance of the foundation: "Without fundraising and the ability to maintain scholarships, athletic programs would not be able to compete at a high level. When Fresno State is winning and successful, it sets the tone for the school."

Bulldog Foundation members have contributed more than \$76 million in scholarships. Since its inception, the foundation has had 118,000 members and has supported more than 17,000 student-athletes with scholarships. It's a team we can all root for.
