

# A Season to Celebrate

The 1998 Fresno State softball team accomplished what no other Bulldog athletic team has done – bring home an NCAA championship title. As the No. 7 seed, the Bulldogs beat No. 1 seed and top-ranked Arizona 1-0, finishing the season with a record of 52-11.

From comeback performances to overcoming physical injuries, one thing that stood out above all was the team's composure and its belief in itself. With strength and perseverance, a champion was born.

Fresno State and the Bulldog Foundation salute our student-athletes. Scholarship assistance from the foundation helps build success by allowing our student-athletes to compete at a high level – while also creating memories we can all savor.
