

## Check Pages

Check Pages allows you to do a final spell check and to check for broken links on your page.

1. Go to the Pages View by clicking on the content tab; **locate the page** you want to check

---

**\*NOTE:** *You can only modify pages that have not been checked out to someone else.*

---

2. Click the **Check-out icon**  so that the light bulb is lit.
3. Click the green check mark icon to **check pages** 

The validity page check will open in a new window. You can manually perform checks such as spell checking by clicking the green right pointing arrow  next to the check. Check links is automatically performed and the results can be reviewed by clicking on the **More** or **New Win** links.
