

Tables

Tables are used to display information in an orderly, logical manner. When using tables it is important to configure the rows and columns so users who use screen readers can have the content read back to them in the correct order.

Description	Day	Date
1st Day of the Semester	Monday	January 11
Martin Luther King Holiday	Thursday	January 16
1st Day of Instruction	Monday	January 17
President's Holiday	Monday	February 20

1. To insert a table, select the desired location in the WYSIWYG Editor, and then click on the "Insert Table" button in the WYSIWYG toolbar.
2. At a minimum choose the number of Columns and Rows desired.
