

Top Dog Board Commitment Policy

The Top Dog Alumni Awards Gala is held annually in the fall as part of the Fresno State Alumni Association's homecoming activities. As outlined in the Board of Directors' Partnership Agreement, part of your board commitment is to either purchase or sell the value of an entire table at the annual Top Dog Alumni Awards Gala recognition event. In order to make this event successful your participation is expected.

The following guidelines are available to fulfill this board commitment:

1. The only board members that will receive credit for on-campus entities' purchase or sale of the value of an entire table are the Faculty Director and the Staff Director. To receive this credit, the board member must work directly for the on-campus entity (i.e. school, department, college, foundation, provost office, etc.) purchasing the table.
2. The Student Director is exempt from this board commitment.
3. Once the event date is established, the FSAA will send out a Board Commitment Letter allowing each board member to choose which option they will select to fulfill their board commitment. If this letter is not returned by the submission date stated in the letter, the board member is not guaranteed a table at the event.
4. In the case that the event sells out before a board member commits to a table, the donation amount will still be required to fulfill this board commitment.
5. All payments must be made in full to the FSAA by the date of the annual Top Dog Alumni Awards Gala recognition event.

By signing below I hereby acknowledge that I understand and accept the foregoing expectations of the Top Dog Board Commitment Policy and agree to adhere to the policies outlined above.
