Science-a-thon!
*Hosted by College of Science & Mathematics*
9 a.m. PST

Our very own Dr. Mara Brady from the Department of the Earth and Environmental Sciences will be hosting a jam-packed event and sharing EVERYTHING that our college has been up to for the past year. Bring your favorite coffee and get ready to enjoy the “astronomical” virtual event!

Celebrating Technology
*Hosted by Technology Services*
9:30 a.m.  PST

The Hub of Digital Transformation and Innovation is one of the largest internship programs for technology on campus that helps students navigate into leadership positions. Come and see how digital innovations developed by student interns are used to complement the intimacy and immediacy of face-to-face learning during these changing times.

Turning Dreams into Reality
*Hosted by Craig School of Business*
10:00 a.m.  PST

Come join us and hear from Craig School of Business Alumni and students to learn how the Hatchery, Craig International and Service Learning programs have provided transformative educational experiences and helped to jumpstart their careers.

Gardening Demonstration
*Hosted by Kremen School of Education & Human Development*
10:30 a.m. PST

Join the children from the Huggins Center for a live gardening demonstration! We will share the great work being done to support outdoor STEM learning experiences while Huggins Center Children lead a wonderful gardening demonstration and talk about how easy it is to grow plants using common items found around the home!
**Inspirational Tour**  
*Hosted by College of Arts & Humanities*  
11:00 a.m. PST  
Join us as we highlight each area within the College of Arts and Humanities giving you a peek at the ways your generous gifts have provided opportunities for students and inspired a community through our graduates.

**It’s a WATER-ful Life!**  
*Hosted by California Water Institute*  
11:30 a.m. PST  
Our lives depend on water! Surface water or groundwater? Join the California Water Institute and its students to learn more about conjunctive use, the effects of pumping groundwater, treatment options, a solution for groundwater dependent communities, and regulations.

**Expanding Access to Student Success**  
*Hosted by Division of Continuing & Global Education*  
12:00 p.m. PST  
Join us to learn how philanthropy contributes to education in the Central Valley for a wide array of student audiences.

**Engineering our Dreams**  
*Hosted by Lyles College of Engineering*  
12:30 p.m. PST  
For students in the Lyles College of Engineering, it takes guts, tenacity, discipline and drive to get where they're going, arrive ready to work and take on the challenges of the future. It also takes a team of dedicated faculty, staff, and supporters to help them get there. Hear from the students and alumni and discover how they have worked to engineer their dreams.

**Dews and Don’t’s with the Dean**  
*Hosted by Division of Research & Graduate Studies*  
1:00 p.m. PST  
Join the Dean of the Division of Research and Graduate Studies, Dr. Jim Marshall for an interactive discussion relating to graduate education and research at Fresno State including audience participation chats, polls and door prizes.
The World is Our Classroom
Hosted by College of Social Sciences
1:30 p.m. PST
Many important learning experiences take place outside the classroom - Chicano and Latin American Studies students examine the diverse histories, literatures, cultures and social experiences of Latin peoples while Anthropology students examine everything that is human, in all parts of the world, both present and past. During this event, professors will share what students are learning in the classroom and how first hand experiences such as internships, research and community engagement prepares them for the future.

The Future of Healthcare
Hosted by College of Health & Human Services
2:00 p.m. PST
Hear from new College of Health and Human Services Dean, Dr. Denise Seabert, as she interviews student scholars and takes you on a live tour of the Mobile Health Unit. You’ll also learn how we are preparing students to meet the valley’s healthcare challenges.

Growing Productive Tomorrows
Hosted by Jordan College of Agricultural Sciences & Technology
2:30 p.m. PST
Join our Dean, Dr. Dennis Nef, accompanied by alumnus and Fresno County Farm Bureau CEO, Ryan Jacobsen to learn how our students are “Growing Productive Tomorrows” for the Central Valley and beyond. Featured will be our food science and nutrition quantity foods class, viticulture and enology students and faculty, plant science club students and state discussion contest champion Austin La Salle who is also an ag education student and former campus farm student assistant.

Community Service in the time of COVID-19
Hosted by Jan & Bud Richter Center for Community Engagement & Service-Learning
3:00 p.m. PST
Join a panel of students and community partners to hear how the University continues to meet community needs and provide students with a valuable service and learning experience during the pandemic. They will share their first-hand experience and the innovations they are using to continue to impact our community.

Check it Out!
Hosted by Henry Madden Library
3:30 p.m. PST
Hear from a variety of Henry Madden Library experts about the library work that stokes their passion, inspires innovation, and supports students and faculty throughout the academic year. You’ll walk away excited about the ways in which the library is integral to teaching and research at Fresno State.
**Fund a Dream by Funding a Scholarship**  
*Hosted by Smittcamp Family Honors College*  
4:00 p.m. PST

Join the Smittcamp Honors Program as we give you an inside look into our unique program. Hear from current students and alumni of the program and learn how the program has supported them through their education, helped them excel in the workforce and impacted on our local economy. Don't miss your opportunity to get involved.

**Alumni Trivia Happy Hour**  
*Hosted by Fresno State Alumni Association*  
5:00 p.m. PST

Bring a drink and come think! Join the Fresno State Alumni Association (FSAA) for Alumni 101. Test your alumni knowledge, learn about new programs and ways to engage all while playing for a chance to win alumni swag and support FSAA programs and funds.

**Back to Basics: Supporting Students In and Out of the Classroom**  
*Hosted by Division of Student Affairs and Enrollment Management*  
5:30 p.m. PST

Join Dr. Carolyn Coon (Associate Vice President for Student Affairs and Dean of Students) and a few Bulldog students to shed light on many of the challenges students face outside the classroom and learn what Fresno State is doing to ensure our students have the best path towards success.

Once you register you will receive a PDF attachment with the links to all of the events. We look forward to seeing you!
