

# Constitution Day

September 16, 2017

Fresno State: North Gym 118: 9am - Noon

Students from local High Schools, Community Colleges, and Fresno State are invited to join concerned citizens in a **Dialogue about our Democracy** on Constitution Day.

**Panelists and table discussions will focus on these questions:**

- 1. What are our First Amendment Rights and how are they practiced in the real world, including Free Speech on College and High School Campuses?**
- 2. What does it mean to be an American in 2017 in an era of political division, factionalism, and incivility? What values and ideals can we agree on?**
- 3. What can citizens—especially young people—do to sustain and support our democracy?**
