Robert C. Jones

**Thursday, October 8, 5-6PM
McLane 121**

Jones argues that those of us in consumer culture living under late capitalism are obligated to adopt a form of veganism. The argument is based upon a commitment to minimize violence, objectification, domination, and oppression.

Dr. Robert C. Jones is Associate Professor of Philosophy at Chico State. Jones has a Ph.D. from Stanford, where he worked on the moral significance of animal cognition.
