All actors (including understudies) may receive 2 units for working on this show (1 unit of Drama 115; 1 unit of Drama 179). We need as many students as possible to register for these units. Please contact Brad a.s.a.p. for permission numbers to add one or both of these units (bradley@csufresno.edu).

All actors (including understudies) should schedule an appointment in the **costume shop** for **measurements** a.s.a.p.

**First rehearsal will be
Sunday, October 18th
7:15 p.m.
John Wright Theatre**

Actors (including understudies) will be able to pick up **scripts** in the Theatre Arts Office (Speech Arts 33) in about a week or two.

A notice will be posted on the callboard when the scripts are in.

UNDERSTUDY RESPONSIBILITIES:

The understudy should be ready to go on stage should any emergency arise. The understudy should be solidly memorized. The understudy should also sit in on run-throughs to observe the staging and the interpretation of each scene. Understudies may also be called upon to stand in at a rehearsal if an emergency arises. If you are an understudy and cast in MIDSUMMER, your understudy commitment begins once MIDSUMMER has closed.
