

# FRESNO STATE DEPARTMENT OF THEATRE AND DANCE

## Guidelines for Design/Technology Scholarship Interviews

---

*The Priority Application Filing deadline is **December 4, 2020.***

---

Design/Technology is a broad field that encompasses many careers in the Theatre Industry. Quite often our next designers, stage managers, and technicians find us because they have many skills that seem unrelated, until they find Theatre Design/Technology. Come and find out if this is a career path for you.

---

### Student Scholarship Audition Checklist:

*Please complete ALL **FIVE** of the following steps prior to the final day of auditions (November 25, 2020)*

1. **Prepare for your Interview:** See 'What Do You Prepare' below.
  2. **Design/Technology Scholarship Student Registration Form:**  
<https://forms.gle/Ro7p24UdDaiaRuPw7>
  3. **Fresno State Application** (Due December 4): <https://www2.calstate.edu/apply>
  4. **Fresno State Scholarship Application** (Please complete by November 25):  
<http://www.fresnostate.edu/studentaffairs/financialaid/scholarships/scholarshipapplication/index.html>
  5. **Teacher Recommendation Form** (To be filled out by your drama teacher):  
<https://forms.gle/7id6BYGa64rm5rek6>
- 

### What Do You Prepare?

- Be ready to answer the following questions:
  - What past experiences have you had in the design/tech area for theatre? (*if you have a resume, we'd love for you to submit it.*)
  - Why are you interested in the design/tech emphasis for Theatre Arts?
- Although it is not required, you may submit examples of any work you have done that might be related to Design/Technology:
  - **Production Work:** woodworking, scenic painting, flat building, sewing projects, light hanging, sound recording, prompt books, projections, etc.
  - **Design:** photographs, models, renderings, drawings, sketches, clothing, sound mixing, etc.
  - **Artwork:** sketch books, paintings, collages, sculpture, ceramics, photography, computer illustration, films, etc.
  - **DIY Projects:** Upholstery, sewing projects, woodworking, decorating, craftwork, electrical wiring, etc.
