

Professional Science Master's in Biotechnology Internship
Mid-Point Evaluation

Date:

Dear Joni,

The Biotechnology Program at California State University, Fresno has received your name, as a supervisor, from the following student, Yaw, who is currently engaged in your internship program.

If you can take a moment to answer the following three questions, it will help us monitor the student's progress, in order to facilitate any corrective measures that might help ensure a successful experience for both you and the student.

On a scale from 1 to 4, please rate the student accordingly:

1. below standards
2. average
3. above average
4. exceeds standards

Q #1 Is the intern student performing to your expectations?

Q #2 Is the intern behaving professionally?

Q #3 Is the student adhering to work place rules/regulations?

Optional—Clarifying comments or other concerns:
