

Agricultural Education - Agricultural Communications Option, B.S.

DEPARTMENT

BS in Agricultural Education - Agricultural Communications Option, B.S.
BS in Agricultural Education - Teacher Preparation Option, B.S.
MN in Animal Sciences, Minor
MS in Agricultural Science, M.S.
PREB in Pre Veterinary Prerequisites
BS in Animal Science - Production Management Option-Livestock and Poultry Mgt Emphasis, B.S.
BS in Animal Science - Production Management Option-Dairy Science Emphasis, B.S.
BS in Animal Science - Production Management Option-Equine Science Emphasis, B.S.
BS in Animal Science - Production Management Option-Meat Technology Emphasis, B.S.
BS in Animal Science - Science Option-Preprofessional Emphasis, B.S.
BS in Animal Science - Science Option-Pre Veterinary Emphasis, B.S.
CRED in Agriculture Specialist Credential

REQUIREMENTS

Department of Animal Sciences and Agricultural Education

Bachelor of Science Degree Requirements

Agricultural Education Major - Agricultural Communications Option

1. Major requirements (54-60 units)

Select Teacher Preparation or Agricultural Communications

Agricultural Communications Core (45 units)

Agricultural Economics (3 units)

Select 3 units from: AGBS 28, AGBS 31, AGBS 117, AGBS 120, AGBS 150

Agricultural Education (6 units)

AGED 66, AGED 166

Animal Science (9 units)

ASCI 1 and select 6 units from: ASCI 11, ASCI 21, ASCI 31, ASCI 35, ASCI 41, ASCI 51, ASCI 61, ASCI 81, ASCI 91

Food Science and Nutrition (3 units)

Select 3 units from: ASCI 71, ENOL 15

Mass Communication and Journalism (9 units)

MCJ 1, MCJ 2, MCJ 172 or MCJ 173

Mechanized Agriculture (3 units)

Select 3 units from: MEAG 1, MEAG 20, MEAG 50

Plant Science (9 units)

Select 9 units from: PLANT 20, PLANT 30, PLANT 40, PLANT 130; VIT 1

Soil and Water (3 units)

Select 3 units from: PLANT 71, PLANT 171, PLANT 172

Agricultural Communications Career Specialty (15 units)

Select one: Advertising, Broadcast Journalism, Multimedia Production, Print Journalism, Public Relations (see Agricultural Communications Option check sheet available in the department office.)

Additional requirements

Agricultural education majors must take the following courses, which also satisfy General Education requirements. These courses amount to 12 units of the 48 unit G.E. requirement.

BREADTH

Area B1: CHEM 3A

Area B2: BIOL 10, BIOL 11, or BIOL 12

Area D2: AGBS 1

Area E1: ASCI 67

2. General Education requirements (48 units)

3. Other requirements (9 units)

American Government and Institutions (PLSI 2), Multicultural and International (MI), and Upper-division writing

4. Sufficient elective units to meet required total units (varies)

Courses supplementary to the major are strongly recommended.

5. Total minimum requirements (120 units)*

* G.E. and MI courses can be double counted with major requirements. See advisor for details.

Advising Notes

1. See advising notes 1-6 following animal sciences major.
2. Teacher preparation majors seeking the Agriculture Specialist Credential must also take AGED 187 and AGED 189.
3. Contact the Kremen School of Education and Human Development for admission and program requirements for the Single Subject Credential.
4. Agriculture courses titled Tours or Lectures may be used to satisfy upper-division unit requirements but may not be counted to satisfy agricultural education core or specialized field requirements in the major.
5. Candidates for the Agriculture Specialist Credential must possess 3,000 hours or two years of occupational experience in agriculture. (For details, consult the agricultural education credentialing coordinator.)

FACULTY

The faculty represent diverse specializations in the disciplines of animal science and teacher training. With doctoral degrees from many of the nation's most prestigious agricultural universities, the faculty have combined philosophies of undergraduate education, research, curriculum development, industry relations, and career placement into a unique program. Their experience allows for the combination of the practical and theoretical aspects of the animal sciences to provide an education second to none. Students select an adviser who assists in both academic and career planning on an individual basis. The faculty place a high priority on strong teacher-student relationships.

For faculty phone numbers and e-mail, see the campus directory.

For more on the faculty, see the faculty pages.

The faculty pages are updated by the department or program.
