CRED in Education Specialist Deaf and Hard of Hearing - Preliminary Credential
CRED in Speech-Language Pathology Services - Preliminary, Credential

REQUIREMENTS

Department

Bachelor of Arts Degree Requirements

Communicative Disorders Major

1. Major requirements for the Option

Deaf Education (47 units)
CSDS 80, 93, 94S, 95, 96, 106, 114, 121, 128, 131, 136S, 137, 139, 141, 162, 163, 164

2. General Education requirements (49 units)*

3. Other requirements (6 units)
Upper-division writing and Multicultural and International (MI)

4. Sufficient elective units to meet required total units (varies)
Courses may be used to satisfy credential requirements or a minor in another field. See advising notes 4 and 5 for recommended electives.

5. Total units (120)**

* CSDS 92 in G.E. Breadth C2 also may be applied to the communicative disorders major for students in the deaf education and interpreting options.

** G.E. and MI courses can be double-counted with major requirements. The writing requirement may be met by taking the upper-division writing exam. See advisor for details.

Advising Notes

1. CR/NC grading is not permitted for CSDS majors for any coursework required in the major, with the exception of clinical courses. (See course descriptions.)
2. General Education and elective units may be used toward a double major or minor (see Double Major or departmental minor). Consult the appropriate department chair, program coordinator, or faculty advisor for further information.
3. Students in CSDS 110, 162, 163, 164, and other clinical, internship, and student teaching courses are required to show health certification that they are free from tuberculosis and rubella, and to purchase student clinic malpractice insurance for the clinical courses (see the University Speech and Hearing Clinic director for details).
4. PSYCH 101 is a required credential course that can also be used as an undergraduate elective.
5. A statistics course is a prerequisite to CSDS 200, which is typically taken the first semester of graduate work. It is recommended that students take statistics as an undergraduate elective prior to applying to graduate school.
FACULTY

For faculty phone numbers and e-mail, see the campus directory.

For more on the faculty, see the faculty pages.
The faculty pages are updated by the department or program.
