Courses Offered

The mission of the Department of Curriculum and Instruction is the preparation and continuing education of K-12 educators, particularly teachers. Coursework and field experiences are designed to prepare teachers who are reflective thinkers, problem solvers, and decision makers to meet the challenges of teaching in a rapidly changing world characterized by social, economic, and cultural/linguistic diversity.
Supervised field experiences along with instructional planning and evaluation techniques provide the foundation for productive and responsive teaching.

CalStateTEACH. See Teaching Elementary School CalStateTEACH for program description.
