BS in Mathematics - Integrated Credential Option, B.S.
MS in Mathematics, M.S.
CRED in Single Subject Credential - Mathematics

REQUIREMENTS

Department

Bachelor of Science Degree Requirements

Teaching Option

The requirement for entrance to the major and minor programs is completion of two years of algebra as well as courses in geometry and trigonometry, or a sequence of courses containing their equivalents, such as MATH 3 and 5. It is strongly recommended that such study be completed before entrance to the university.

1. Major requirements (60-61 units)

Core curriculum (35 units)
MATH 75 (or 75A and B), 76, 77, 81 (15 units)
MATH 101 (4 units)
MATH 111 (4 units)
MATH 151, 152 (8 units)
MATH 171 (4 units)

Option specific electives (17-18 units)

MATH 143 (4 units)
MATH 145 (3 units)
MATH 149S (4 units)
MATH 161 (3 units)
MATH Elective/Any three seminars (see note 1) (3-4 units)

Additional requirements (8 units)

MATH 191T (1 unit)
CSCI 40 (4 units)
PHYS 4A (see note 2) (3 units)

2. General Education requirements (49 units) (see notes 2 and 3)

3. Other requirements (6 units)

Upper-division writing and Multicultural and International (MI)

4. Sufficient elective units to meet required total units (varies)

5. Total units (120)*

* G.E. and MI courses can be double-counted with major requirements. The writing requirement may be met by taking the upper-division writing exam. See advisor for details.

The culminating experience for the Teaching Option is MATH 149S.

Major Advising Notes

1. The fifth MATH elective can be any 3-4 unit mathematics course, upper division or graduate, excluding MATH 100, 133, 134, 137, 138, 139, or any combination of seminars totaling 3 units. MATH 191T as an Additional Requirement cannot be used for double counting of the requirements. Special conditions apply for graduate courses; see department advisor.
2. PHYS 4AL is not required for the math major. If students wish to include PHYS 4A as a General Education Breadth course, they must also take PHYS 4AL.
3. Three units of MATH 75 (or MATH 75A) also will satisfy the G.E. Foundation B4 requirement.
4. See Mathematics Road Map at <http://www.fresnostate.edu/degreeroadmap/>

Advising Requirements. It is strongly recommended, to all math majors, to have an advising session at least once a semester. See the department chair for assignment to an advisor.

Grade Requirements. All courses required as prerequisites for a mathematics course must be completed with a grade of C or better before registration will be permitted. All courses taken to fulfill major or minor requirements must be completed with a grade of C or better.

FACULTY

For faculty phone numbers and e-mail, see the campus directory.

For more on the faculty, see the faculty pages.

The faculty pages are updated by the department or program.
